Two sermons a day are being preached at the Methodist church by Dr. Beaman. The hours are 4 p. m. and at 8 o'clock.

Mr. Chas. T. Lawrence gave a very nice barbecue dinner at the Pine Tree farm Thursday of last week. It was pronounced a very pleasant occasion.  
Miss Pattie McDowell, well known to many of our readers, died at the home of her niece, Mrs. Jno. W. Moore, at Raeford, N. C., Monday, Sept. 1st.

If you have not heard Dr. Beaman at the Methodist church you have missed a real treat. You are cordially invited to both the afternoon and evening services.  
Mrs. Anna Morrisett requests us to express her appreciation for the many kind acts shown her during the illness and death of her husband, the late J. M. Morrisett.

Mr. Kenney Staton was carried to a hospital in Tarboro Tuesday for an operation. Dr. A. D. Morgan, G. C. Weeks and Mr. Barr took him through the country on an automobile.  
The news comes from Sarah Leigh hospital in Norfolk that Mr. D. A. Madry is improving slowly. He is able to get up and be rolled about in a chair. His many friends are hoping that he may soon be able to return home.

We sympathize with Mr. and Mrs. W. C. Allsbrook, of Roseneath township, in the loss of their son, Paul Allsbrook, who died in a hospital at Norfolk, Va., Sunday night, where he had been for about two weeks. His remains were brought home for burial Tuesday.

#### The Revival in Progress.

Dr. R. C. Beaman, of Durham, arrived Monday and is holding a revival service at the Methodist church. He is preaching two sermons a day--at 4 p. m. and again at 8 o'clock. The congregations have increased at each service.  
Dr. Beaman is a very strong and able speaker and to hear him once makes a yearning to hear him again. The public is cordially invited to hear Dr. Beaman.

#### Will Set up his Cotton.

Mr. L. J. Baker, of Palmyra, tells as that he has a large number of people in his cotton fields setting up the cotton that the storm lay low to the ground Wednesday of last week.  
Mr. Baker says that he has one hundred acres of wages crop of cotton and that it would have averaged six feet high before the storm and that he figures it will cost him about four dollars per acre to set it up, but with his experience with three acres Saturday he thinks it will more than pay him.

#### Death of Miss Lucy Harrison.

Miss Lucy Harrison, the thirteen-year-old daughter of Mr. and Mrs. J. A. Harrison, died at the home of her parents Wednesday night of last week after a severe illness lasting several weeks. The funeral service was conducted by Elder W. B. Strickland in the Baptist cemetery Thursday afternoon.  
Miss Harrison was an exceptionally bright girl and always stood at the head of her classes in school.  
Mr. and Mrs. Harrison desire to extend to their neighbors and friends for their many kind deeds and expressions of sympathy during the illness and death of their daughter.  
We extend sympathy to the bereaved parents, brothers and sisters.

#### Yes Paint

may be high next year, so much work has been put-off and more will be.  
Men don't know that it costs more money to wait than to paint; it costs about 10 per cent to wait, and not over 5 for the extra price.  
What is 5? About \$2.50 on the average job (3000 square feet); 10 gallons Devco, 15 of average paint, yes 20 of some.  
Suppose there's plenty of oil next year. won't paint go-down? Yes, a little; there can't be plenty of oil; the demand settles that. Half the work of last year and this is waiting; so stupid we are.  
E. T. Whitehead Company sells it.

**Cures Old Sores, Other Remedies Won't Cure**  
The worst cases, no matter of how long standing, are cured by the wonderful, old reliable Dr. Porter's Antiseptic Healing Oil. It relieves Pain and Itches at the same time. 25c, 50c, \$1.00.

The next annual session of the North Carolina National-Baptist State Convention will meet in Elizabeth City, N. C., Wednesday, October 15, 1913, and continue in session until the following Sunday night.

The minutes of the former session are unavoidably late, but the secretary will send them out immediately after he gets them from the press. This coming session, which is of great and vital interest, will be held in the spacious and commodious edifice of the Olive Branch Baptist church, whose pastor, Rev. Dr. C. M. Cartwright, is president of the Convention.

People in various parts of the State are making preparations to attend this session of the Convention. Those who go by rail should join in groups of ten or more, whenever possible, and purchase a block ticket.
