Aeroplane Makes Attack on Dirigible; Latter Ripper Open-Explosion Follows Immediately.

Vienna.-Nine burned and mutilated bodies, the splintered fragments of an aeroplane and the charred remannts of a big dirigible balloon are the mute records of one of the most senational disasters which has occurred since man learned to fly. The castastrophe, which resulted in the death of all concerned, nine officers and men, followed a mimic attack by the aeroplane on the aeroplane on the dirigible at a great height the Austrian manueuvers and served to show, more than any previous accident to flying machines have done, the horrors that would be likely to attend aerial warfare.

The dirigible military balloon Koertling left Fischamend, 11 miles from Vienna, manned by Capt. Johann Hauswirth, in command, Lieutenant Ernst Hoffstetter, Lieutenant Bruerr, Lieutenant Haidinger, Corporal Hadima, Corporal Weber and Engineer Kammerer.

At the elapse of half an hour a military biplane, with Lieutenant Flatz and Lieutenant Hoosta aboard, started in pursuit

It was t'e intention of Captain Hauswirth to take photographs of the movements of the troops below and then to join in the maneuvers. At the same time he was to keep out of range of any of the mosquito craft which might seek to attack him.

FIRES WAR SECRETARY.

Carranza Deposes Gen. Felipe Angeles From Cabinet Job.

Saitillo, Mexico. (via Laredo, Texas) Gen. Felipe Angeles, acting secretary of war of the constitutionalist cabinet, was desposed from that position by orde rof Gen. Carranza for disobedience of orders.

Angeles is general of artillery in Villa's army and a strong Villa partisan. His removal from the cabinet reduces him to the rank of general. He is a graduate of Chapultepec Military academy and has played a prominent part in Villa's campaigns.

It is stated that 30,000 men under Gen. Gonzales are being mobilized fo rthe campaign to the south and that several detachments already have left for San Luis Potosi.

Can't Move Fast.

Washington.-While the house was sparring over the question of remaining in session to make progress on the sundry civil bill, Representative Levy of New York introduced a resolution to provide that congress adjourn July 15. He had it read from the celrk's desk, but eoffrts to get any further consideration for it were vain.

Big Transfer Gold.

New York.-What is said in the

financial district to have been the greatest transfer of gold ever made between sub-treasuries occurred during the week when \$43,000,000 of the precious metal was delivered at the sub-treasury here. The gold in bars and coin came from other branches of the United States treasury and the shipment, it was said, was prompted by the fact that for the last six weeks this country has been losing gold to Europe on a large scale. Since the first of May \$53,000,000 has gone out.

Vent Wrath on Suffragettes.

London.-An artificial lake gave a big crowd an opportunity to vent their eighty-fifth birthday by appearing in wrath on suffragist interruptors of the senate chamber wearing a bright David Lloyd George, Chanvellor of the Exchequer, who spoke at Denmark Hill, in the South of London, but chivalrous discriminations was employed as between the men and women disturbers, the women being chased off the grounds and the men ducked The man who fared worst was a clergyman, said to be a member of Svlvia Pankhurst's East End army.

Appointed Tmbassador to Russia.

Washington-George Thomas Mayra. Jr., of San Francisco, Ca., has been selected by the President to be Ambassador to Russia and will be nominated in the near future, according to authoritative information in official circles here. He was originally considered for the ambassadorship to France, recently given to Representative Sharp of Ohio. Representative Sharp also had been considered for the Russian post, but it was understood he was not acceptable to the St. Petersburg Government.
