Mammoth Furniture Sale

Beginning the 15th of this month the biggest sale of Furniture in the history of this community will begin and last until

The 15th Day of January, 1915.

The first of the year we are going to cut our floor space in half to make room for a grocery firm. In order to reduce our stock for this firm we are going to offer you any kind of Furniture at prices that will make you fairly gasp. The floor space is going to be cut half in two. Our stock is going to be sacrificed in order to reduce it enough to command half the space it now occupies.
