the full, gathered scarf-end may be brought over the head and face, veil fashion, protecting the complexion and eyes very efficiently.
Leather is being used for these sets quite extensively too; a fur-trimmed set of dull Russian leather, trimmed with sable and combined with a short, tab-ended scarf, also trimmed with sable, is unusually smart and becoming. These leather sets made be made at home of suede, or a soft kid. They are practical for many purposes as they are not injured by dust, rain or snow.

Barrel Muff and Throw-Scarf of Seal
There are some attractive velvet and velvet sets, also trimmed with a vividly contrasting color.
The Utility Walking Stick
One of the novelties following the

popularity of walking, skating, and general out-of-door winter sports is the walking stick with a soft silken or velvet bag attached for handkerchiefs, powder puffs and other articles necessary to Milady's beauty and comfort. Although somewhat extreme these sticks are nevertheless quite practical, especially for mountain climbs and hilly roads.

Rheumatism!
How is rheumatism recognized? Some have said—
Rheumatism is a dull pain.
Rheumatism is a sharp pain.
Rheumatism is sore muscles.
Rheumatism is stiff joints.
Rheumatism is a shifting pain.
All have declared—*Rheumatism is Pain.*
Sloan's Liniment applied:—
The blood begins to flow freely—the body's warmth is renewed—the congestion disappears—the pain is gone.
Sloan's Liniment
KILLS PAIN (GUARANTEED)
