Are you raising chickens or gar-
den truck? If so keep them sepa-
rate; also keep them separate
from your neighbors gardens and
they will bless you.

Chickens are not profitable
these days when grain has to be
bought to feed them; also if they
scratch up every bit of garden you
have planted, they are more than
a luxury, they're a nuisance.

Have you noticed the number
of loyal, faithful, and patriotic
women in this town? Aside from
their immediate activity in the or-
ganization of the Red Cross Asso-
ciation, they have taken up with
a will the planting of every avail-
able space into something to eat.
Are the men doing their part?

Even the most skeptical ought
to be convinced by now that with
a few radical exceptions of this
country of Teutonic extraction
are wholly loyal. Some of the
finest articles we have read ap-
peared in exchanges where a Ger-
man name appears as editor. We
have been watching this very
closely and there is no doubt in
our mind as to their loyalty. They
are not only with us, but OF us.

Perhaps the ladies of this town
would like to do something to aid
the country in this war. They can
do so in a very material manner.
Don't start knitting socks for the
soldiers, for the government buys
them for 15 cents a pair. Our
lady friends could not knit them
for double the cost. But they
can make scarfs, handkerchiefs,
wristlets, etc., and these would
come in very handy for the boys.
Remember, at \$15 a month a pri-
vate soldier can not afford to buy
a very large assortment of these
things, and every one contributed
by the good women of this com-
munity would be very welcome to
some young man who later on
may give his life's blood for his
country.

Just because we have a big war
on our hands is no reason why we
should sit down and imagine the
business of the whole country is
going to smash, as some few peo-
ple seem determined to believe.
Nothing is farther from the truth.
In fact, it is just the opposite,
there will be a greater demand
for American foodstuffs and Amer-
ican-made goods than ever be-
fore in the history of the world
—simply because the world must
have these things, and just now
the majority of the world (except
ourselves) is not producing them.
It doesn't require even an ordi-
nary amount of brains to figure
this out.

**BOSTON WOMAN RECOMMENDING
IT TO HER FRIENDS**

Popular Boston Lady Says Tonaline
Has Proven a Godsend to Her

It is always interesting to listen to
the statements of our friends, and es-
pecially when you know they are sin-
cere and honest in what they say. Ad-
ded interest is created in a statement
coming from one who has spent a life-
time in Boston, where she is well known
socially.

Such a person is Annie Stewart, who
resides in Boston, and is possessed of
the respect and confidence of her asso-
ciates, and is willing for anyone to call
on her to verify the following signed
testimonial.

"I have suffered with stomach trou-
ble for the past seven years. It took
the form of indigestion and dyspepsia.
I had dizzy spells and headaches, and
after I ate a little food it would fer-
ment and cause gas to form in my
stomach. I had pains all over my body
and was chronically constipated. My
liver was torpid and I felt generally
miserable. I had doctored and had
been in the hospital, but received no
permanent relief. I was so nervous
and restless that at night I could scarce-
ly sleep. The gas pressing under my
heart caused palpitation, and when I
arose in the morning I was just as tired
as when I retired. About two weeks
ago I began to take tonoline, and I can
truthfully state that it has done won-
ders in my case. I am feeling like a
new woman and can eat any kind of
food. I sleep the night through and
have no more aches or pains; in fact,
it has cured me, and I am recommend-
ing it to all of my friends, as it has
been a Godsend to me."

E. T. Whitehead & Co., sell and guar-
antee tonoline.

There are numerous symptoms of this
trouble that tonoline can relieve. In
fact, any of the following may denote
affections of the stomach: Indigestion,
dyspepsia, belching of wind, bad breath,
sick throbbing headache; poor circula-
tion, night sweats, that tired feeling,
costiveness, coated tongue of a poor
complexion.

Caution:—As tonoline is recom-
mended as a flesh builder those not wish-
ing to increase their weight 15 pounds or
more should not take it continuously.

**BEST REMEDY FOR WHOOPING
COUGH**

"Last winter when my little boy had
the whooping cough I gave him Cham-
berlain's Cough Remedy," writes Mrs.
J. B. Roberts, East St. Louis, Ill. "I
kept his cough loose and relieved him
of those dreadful coughing spells. It
is the only cough medicine I keep in
the house because I have the most con-
fidence in it". This remedy is also good
for colds and croup.

ROAD TO HAPPINESS

Be amiable, cheerful and good na-
tured and you are much more likely
to be happy. You will find this diffi-
cult, if not impossible, however, when
you are constantly troubled with con-
stipation. Take Chamberlain's Tab-
lets and get rid of that and it will be
easy. These tablets not only move the
bowels, but improve the appetite and
strengthen the digestion.

**COLORS PEOPLE DEBILITATED
WITH NEW DISCOVERY
TO BLEACH THE SKIN**

Atlanta, Ga.—Says that recent tests
have proven without doubt that swar-
thy or sallow complexions can be made
light by a new treatment recently dis-
covered by a man in Atlanta. Just ask
your druggist for Cocotone Skin White-
ner. People who have used it are a-
mazed at its wonderful effect. Rid your
face of that awful dark color or greasy
appearance in a few minutes. It costs
so little that you can't afford to be
without it. Just think how much pret-
tier you would look with that old dark
skin gone and new soft, light skin in
its place. Men and women today must
care for their complexions to enter so-
ciety.

If your druggist will not supply you
with Cocotone Skin Whitener, send 25c

**CALOMEL SALIVATES AND MAKES
YOU SICK**

Acts like dynamite on a sluggish liver
and you lose a day's
work

There's no reason why a person
should take sickening, salivating cal-
omel when 50 cents buys a large bottle
of Dodson's Liver Tone—a perfect sub-
stitute for calomel.

It is a pleasant, vegetable liquid
which will start your liver just as sure-
ly as calomel, but it doesn't make you
sick and can not salivate.

Children and grown folks can take
Dodson's Liver Tone, because it is per-
fectly harmless.

Calomel is a dangerous drug. It is
mercury and attacks your bones. Take
a dose of nasty calomel today and you
will feel weak, sick and nauseated to-
morrow. Don't lose a day's work. Take
a spoonful of Dodson's Liver Tone in-
stead and you will wake up feeling
great. No more biliousness, constipa-
tion, sluggishness, headache, coated
tongue or sour stomach. Your druggist
says if you don't find Dodson's Liver
Tone acts better than horrible calomel
your money is waiting for you.

No. 666

This is a prescription prepared especially
for **MALARIA or CHILLS & FEVER.**
Five or six doses will break any case, and
if taken then as a tonic the Fever will not
return. It acts on the liver better than
Calomel and does not gripe or sicken. 25c
