

GREAT SUCCESS OF LOCAL PLAY

(Continued from page one)

fectly, in the most natural way imaginable, and there is no suggestion of improvement that could be made.

Mrs. S. A. Dunn as Mrs. Murray, and Miss Gertrude Whitehead, as her daughter, were both as natural as refined gentlewomen in a village could be, but their part was an essential one in the proper rounding out of the play, for Mrs. Murray was the old love of Felicia's father, and thereby hangs another tragedy.

Miss Mary Lamb was a typical country woman who sells butter and eggs to eke out a slender living, and Mrs. A. W. Outerbridge was specially fine as the colored laundress, who cooked and worked for all the best families before that generation was grown.

The depiction of Freedom by Miss Doris Tillery, the colored freed slave, was specially good, and the mining French maid, carried out perfectly by Miss Edith Cress, would do credit to the professional stage.

Mrs. R. C. Josey, Jr., crowned herself with fresh laurels in her interpretation of the sharp-tongued Mrs. Oggsby, which part could not be improved in any particular, and considerable praise is due Mrs. G. L. Hyman for the manner in which she depicted the drudge.

Between the acts several specialties were given, in the main, of a patriotic character. Miss Francis White, dressed in the national colors, the stars and stripes, and carrying a golden bell sang "Liberty Bell" very prettily, and received her mede of enthusiastic appreciation. Miss Gertrude Whitehead sang several patriotic songs, all of which fitted the occasion perfectly, and the male quartette, composed of Messrs N. A. Riddick, C. T. Lawrence, H. C. Bell and G. L. Hyman rendered several well selected numbers.

CAUSE OF HEADACHE

By knowing the cause, a disease may often be avoided. This is particularly true of headache. The most common cause of headache is a disordered stomach or constipation, which may be corrected by taking a few doses of Chamberlain's Tablets. Try it. Many others have obtained permanent relief by taking these Tablets. They are easy to take and mild and gentle in effect.

SOUTHERN BANKERS ENTHUSED OVER IT

President and Cashier of Louisiana and Georgia Banks Strong in Endorsements

Among the countless thousands of prominent people all over America who have taken Tanlac and praised it for the benefit they derived from it, none are more enthusiastic than the two well-known bankers whose statements follow:

E. J. Henry, president of the Hawkinsville Bank and Trust Co., Hawkinsville, Ga., says: "Last spring I was all wrong some way or other and couldn't get right. I took a bottle of Tanlac and began to improve. Two more bottles put me in good shape and I felt perfectly well. A few weeks ago, I took the Grippe and was getting down again. I bought another bottle of Tanlac and I am well again. I unhesitatingly recommend Tanlac to anyone who is sick and worn out."

W. C. McElveen, cashier Bank of Hornbeck, Hornbeck, Louisiana, says: "I have taken five bottles of Tanlac and have gained fifteen pounds in three weeks. I think it is a great medicine." Tanlac is sold in Scotland Neck by E. T. Whitehead Co.

DO YOU ENJOY LIFE?

A man in good physical condition is almost certain to enjoy life, while the bilious and dyspeptic are despondent, do not enjoy their meals and feel miserable a good share of the time. This ill feeling is nearly always unnecessary. A few doses of Chamberlain's Tablets to tone up the stomach, improve the digestion and regulate the bowels is all that is needed. Try it.

ATTENTION! NORTH CAROLINIAN'S

I have just received the following telegram from Washington:

"President Wilson, who has already purchased all of the Liberty Bonds he can well afford to pay for, on being informed that 10,000,000 Americans had purchased bonds of the third issue but that a great many who had subscribed could buy **One More Fifty Dollar Bond** by paying for it on the installment plan, said that he would go in for another on the fifty dollar bond paying \$5.00 down and \$5.00 per month, if one million Americans would match him. He will sign his application at a theatre this week."

Of course the country will accept this challenge from our President!!

We appeal to every North Carolinian who has subscribed for Liberty Bonds to immediately hand in a subscription for one more fifty dollar bond as a part of the Woodrow Wilson additional subscription list. I am quite sure that the mere mention of this is sufficient to call forth a unanimous response from our subscribers.

May we not do even more than this, and will not every man and woman who has not subscribed at all now enter their subscription and have their names entered on the Woodrow Wilson Honor Roll.

What you do must be done quickly.

On next Saturday night we will inform our President, and through him the Kaiser, the loyal and royal and only answer to this Presidential challenge.

Your with abounding faith,
JOSEPH G. BROWN
Chairman Liberty Loan Com.

Can't Do The Work

It's too much to try to work every day against a constant, dull backache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them.

J. C. Braxton, blacksmith, Main St., Scotland Neck, says: "I had dull pains in my back and across my loins. In the morning I was sore and stiff and could hardly bend over to pick up my tools. I had headaches and dizzy spells and colds settled on my kidneys, making my condition worse. The kidney secretions were irregular in passage, sometimes too frequently and then again, scanty. I finally got Doan's Kidney Pills at Whitehead Co.'s Drug Store, and they greatly relieved me. Doan put my back in good shape and all symptoms of kidney trouble left." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Braxton had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

LOST—A gold bracelet, with fine filigree work. An old heirloom and much prized for its associations. May have been lost at the Dixie theatre Monday night, or upon the streets. Anyone finding same would confer a favor, and a reward will be paid for the return to Miss Bessie Futrell.

The Commonwealth is in receipt of a long letter from our friend, B. F. Bracy, from Camp Jackson, which is not permitted for publication, though we wish it were, as it shows what kind of grit our boys are made of; what they do in the way of manual labor, and seem to enjoy it, at least they don't complain and that is the real man's part they play. God bless the boys who are representing Halifax county so manfully.
