KARNES SAYS TANLAC RELIEVED HIM OF TERRIBLE RHEUMATISM—GAINED TEN POUNDS IN WEIGHT

"One bottle of Tanlac has got me over one of the worst cases of rheumatism a man ever had and I have gained ten pounds besides," said John A. Karnes, a well-known contracting plasterer living at 303 Oriol street, Nashville, Tennessee.
 "I've had rheumatism off and on for several years, especially in damp weather and I would ache in every joint in my body almost like a sore tooth. My suffering was so great that I could hardly bear it at times and it seemed like the more I suffered the worse I got until finally I had to lay off from work for a whole month on account of it.
 "It just beats anything I ever saw how Tanlac began to relieve my trouble right from the start. Almost every symptom of rheumatism has gone, my appetite is fine, I sleep like a log and have gained ten pounds in weight. My own experience proves to me that Tanlac is one of the greatest medicines ever made and I recommend it to others."
 Tanlac is sold by E. T. Whitehead Co.
