

The Shadow of the Hun is Hovering Over YOUR Home. Only the other day he brought the war to our own shores—right to your front door. The lives of YOUR boys are pledged that the German fiends shall perish. Now—it's up to you to pledge your money to back up those boys. President Wilson, Secretary McAdoo, Governor Bickett and the mayors of cities and towns have proclaimed

JUNE 23 TO 28, NORTH CAROLINA WAR-SAVINGS WEEK.

Canvassers, acting under authority of the United States Government, will call upon you.

Remember—all the money that you have, or ever will have, is poor stuff to weigh in the scale against some mother's broken heart.

North Carolina's quota of \$48,000,000 must be raised June 23rd to 28th by pledge and purchase.

PLEDGE TILL YOU FEEL IT!

N. C. WAR SAVINGS PROGRAM BEGINS JUNE 23; ENDS JUNE 29.

Gen. F. H. Fries Outlines Plan of War Savings Week and How Drive Can Be Made a Success

WAR SAVINGS STAMPS CAN STOP THIS.

PROGRAM.

Sunday, June 23: War Savings Messages will be delivered in Sunday Schools and Churches.

Monday, June 24: House-to-house canvass begins.

Tuesday, June 25: House-to-house canvass continues. Meeting of workers at night at township schoolhouse to make reports.

Wednesday, June 26: House-to-house canvass continues.

Thursday, June 27: House-to-house canvass finished. Meeting and report of workers.

Friday, June 28: National War Savings Day. Every taxpayer summoned to meet at school house to secure all additional pledges required to make township's quota.

Saturday, June 29: Meeting of township and ward chairmen to tabulate results of drive.

Pursuant to the Proclamation of the President of the United States and of the Governor of North Carolina, I. F. H. Fries, North Carolina Director of War Savings, acting under the authority of the United States Treasury Department, have asked the ministers of the Gospel and the superintendents of Sunday Schools to have a War Savings message presented in every church in North Carolina on Sunday, June 23, have called upon every township or ward War Savings chairman to conduct a house-to-house canvass for War Savings pledges during the week following, and have summoned citizens of North Carolina to meet at their respective schoolhouses on Friday, June 28, 1918, the hour of the meeting to be fixed by the local chairman.

Local citizens will be named to conduct the schoolhouse meetings, who will keep a record of the proceedings and report the names of all persons present and pledging, and the names of all persons present and refusing or neglecting to pledge, with their reasons for so doing.

War Savings Stamps (which are United States Government Bonds, the same as Liberty Bonds) can be paid for during any month in the year of 1918, but it is intended that subscriptions for them will be signed during the week beginning June 23, and, if any deficit exists at the end of the house-to-house canvass, at the schoolhouse meeting on June 28.

The price of each War Savings Stamp depends upon the month during which it is bought. During June each Stamp will cost \$4.17. During July each Stamp will cost \$4.18, and so on, one cent more each month during 1918. On January 1, 1920, the Government of the United States will redeem all War Savings Stamps at \$5.00 each, no matter during which month in 1918 they were bought. They cost less during the early months of 1918 than during the later months because the person who buys earlier has loaned his money to the Government for a longer time than the one who buys later.

By way of illustration, note the following table:

Cost of War Savings Stamps During June, July, and August, 1918.

	Cost in June	Cost in July	Cost in August	And are worth on Jan. 1, 1920.
1 Stamp	\$ 4.17	\$ 4.18	\$ 4.19	\$ 5.00
25 Stamps	85.45	83.60	82.90	100.00
50 Stamps	208.80	209.00	209.50	250.00
100 Stamps	417.00	418.00	419.00	500.00
200 Stamps	834.00	836.00	838.00	1,000.00

The law provides that no person can hold in his own name War Savings Stamps exceeding \$1,000.00 maturity value. War Savings Stamps, however, may be purchased for other members of the family, including minor children.

The money invested in War Savings Stamps is not a gift or a donation, but is a loan to the Government. It will be paid back with 4 per cent compound interest. If, because of some serious financial reverse or calamity, it should be necessary to get your money before January 1, 1920, you may do so by giving ten days' notice to any Money Order postmaster, in which case you can get what you paid for the Stamps, with interest to date of payment. The Stamps are free from all State and local taxes; when registered at the postoffice they are insured against loss; they are backed by all the property in the United States; they cannot fall in value below the price you pay; they are as convenient and as well paying investment as has ever been offered by our Government.

A definite quota of War Savings Stamps, on the basis of population of \$20.00 per capita, has been allotted to each township and to each town of over 1,000 population, which will be published in every newspaper in the State before hand and announced at every schoolhouse meeting on June 23. The Government of the United States expects all the citizens of every township and county to subscribe for its quota and to pledge themselves to save and economize to help win the war.

It is to be hoped that the pledges taken during War Savings Week and on War Savings Day will show you and your neighbors to be loyal Americans to whom our Government, in this hour of need, does not call in vain.

F. H. FRIES

North Carolina Director of War Savings, appointed and acting under the authority of the Secretary of the United States Treasury

NO LIGHTS ON AUTOS

There has been a disposition to disregard the town and state ordinance governing running of automobiles at night with out lights.

Some cars are being run around the streets with only one dim light, whereas the state and town ordinances require no lights on the front and one at the rear.

This is given as a warning that the ordinances must be obeyed, and I feel it unnecessary to say more as the chief of police has been instructed to enforce the law.

R. G. Shackell, Mayor.

THE DOCTOR AWAY FROM HOME WHEN MOST NEEDED.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like pain in the stomach and bowels, colic and diarrhoea require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you may escape much pain and suffering and all risk. Buy it now; it may save life.

Take Sulphur Baths at home for

RHEUMATISM

Gout, Eczema, Hives, etc. Right in your own home and at trifling cost, you can enjoy the benefit of healing sulphur baths.

HANCOCK SULPHUR COMPOUND

nature's own blood purifying and skin healing remedy—SULPHUR—prepared in a way to make its use most efficacious. Use it in the bath; use it as a lotion applying to affected parts; and take it internally.

50c and \$1 the bottle

at your druggist's. If he can't supply you, send his name and the price in stamps and we will send you a bottle direct.

HANCOCK LIQUID SULPHUR COMPANY

Hancock Sulphur Compound Ointment—50c and \$1—for use with the Liquid Compound.

Rasping Coughs eased with

DR. KING'S NEW Discovery for Coughs & Colds

That wretched, torturous tearing at the throat and lungs give away to ease and comfort through the prompt use of Dr. King's Discovery—the standard cough and cold remedy for 50 years. Keep it on hand and use freely. It goes right to the root of a cold—brings up the phlegm, and eases the raw, feverish membranes. Containing balsam, it cools and soothes the sore parts. Just the thing for baby's croup. The kiddie likes it. Your druggist sells it.

Dizzy? Bilious? Constipated? Dr. King's new Life Pills cause a healthy flow of bile and rid your Stomach and Bowels of waste and fermenting body poisons. They are a Tonic to your Stomach and Liver and tone the general system. First dose relieves. Get a bottle today. — all druggists.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite on A Sluggish Liver and you lose a day's work

There's no reason why a person Acts like dynamite on a sluggish liver should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel

MICHELIN

Twelve Tire Tests

No. 7

Cross-Sections

This illustration is an enlarged view made from actual cross-sections of two 34 x 4 tires—one a Michelin Universal, the other a tire of another standard make.

The sidewall of the tire on the left (which is a standard make typical of many tires other than Michelins) is of practically equal thickness throughout. The Michelin on the right is progressively tapered from the tread downward, so that its sidewall is thick where sturdiness is most essential, yet particularly flexible where resiliency is the prime requisite.

This construction gives Michelin Tires superior durability combined with remarkable easy-riding qualities.

In the Michelin cross-section the layers of fabric are imbedded in a liberal cushion of rubber which binds them into a single strain-resisting though flexible mass, a structural advantage that cannot be exaggerated, since a tire loses its strength when the layers of fabric come apart, just as a rope loses its strength when its strands separate.

This series of twelve tests is designed to take the uncertainty out of tire-buying.

Michelin Section on Right—Other Section on Left.

The world-wide reputation of the house of Michelin—the oldest, most experienced of all tire-makers—is proof that only the best of materials are used in Michelins. That a greater quantity of these superior materials is used in Michelin Tires is proved by their extra weight and remarkable thickness, which mean greater durability. And the superiority of Michelin design is shown by the above illustration.

Better materials, more materials and superior construction—these account for the supreme durability of Michelin Tires.
