

The extraordinary development of the auto and the auto truck are doing for the roads of our country that which all the preachments of good roads advocates had failed to accomplish. Our public highways will in the near future be worthy the name of roads, and will at last be credited to this nation. This fact is assured because our people have never yet failed to meet an emergency as it has arisen. The development of auto service has created an imperative demand for substantial roads, and substantial roads will come, and are coming. Are you doing your part?

Mrs. Burns' Letter

- 0 -

Here is a letter that is certain to prove of interest to people in this vicinity, as cases of this sort occur in almost every neighborhood and people should know what to do in like circumstances: Savannah Mo., Oct. 12, 1916. "I used a bottle of Chamberlain Colic & Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint some three or four years ago and a few doses of this remedy cured me. I have recommended Chamberlain's Colic and Diarrhoea Remedy to dozens of people since I first used it."

EAST CAROLINA TEACHERS TRAINING SCHOOL

Her Grandma Used Sage Tea To Darken Her Hair.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known down-town druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a it's so easy to use, too. You simply delight toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
