SCHEIDERMAN CLIQUE HAS BEEN DEFEATED

GERMAN CABINET, WHICH HAS SHOWN CONTINUED OPPOSITION TO ALLIED PEACE TERMS, RESIGNED TODAY

EBERT GOVERNMENT WILL ALSO FALL

(By Associated Press)
WEIMAR, June 20.—The German cabinet, headed by Philip Scheidemann, has resigned, it is reported today.

PARIS, June 20.—The Scheidemann government in Germany has fallen.

The news came to the American peace delegates from the American army of occupation and was made known to the allied delegates at the peace conference this morning.

Scheidemann is regarded as the chief opponent to the peace terms and on account of his opposition has been rejected by his associates.

The rumor of Herr Noske being called upon to form a new cabinet has not received any confirmation.

It is understood that the fall of Scheidemann will also bring about the fall of the Ebert Government.

GERMANY ASKS TIME EXTENSION

(By The Associated Press)
PARIS, June 20.—It is reported that the Germans have asked an extension of time to act upon the peace treaty.

TREATY COVERS KAISER'S TRIAL

(By The Associated Press)
NEW YORK, June 20.—The Allied reply to the German counter proposals makes the following reference to the disposition of the ex-Kaiser:

"The trial of the ex-Kaiser is judicial only in form, and not in substance, as he had been arraigned as a matter of high international policy for a supreme offense against international morality, the sanctity of treaties, and the essential rules of justice. Judicial forms and procedure and a regularly constituted tribunal have been set up both to insure the accused full rights to defense and to give the judgment the most solemn judicial character."

Apparently, the ex-Kaiser has already been adjudged "guilty as charged," but in order that he may be permitted formally to speak in his own defense and to give the verdict greater force, he is to be given public trial. To all intents and purposes, he has already been privately tried by the Peace Conference.

It is not quite time yet to engage your passage to Europe on an airship. But the day is sure coming when you will be privileged to do so.

SERIOUS RIOTS ASSAIL VENICE

(By The Associated Press)

LONDON, June 20.—United States Naval Headquarters here was mystified today regarding the circumstances at the base of the following cablegram which has been received yesterday from Admiral Andrews, U. S. N., at Venice:

"Serious disorders here. Three Italian officers insulted. Revolver shots. Holding allied court inquiry."

"Request authority to appoint Mixed military court to try cases, on account of civil Government not checking disorders. Summary action necessary."

Officials at American Naval Headquarters here fail to understand what emergency warrants Allied intervention on the Italian coast. The matter has been referred to Admiral Knapp at Paris. Further details from Admiral Andrews were eagerly looked for.

CONGRESS KILLS DAYLIGHT LAW

By Associated Press

WASHINGTON, June 19.—The Daylight Saving law has been repealed by an overwhelming vote in both houses of Congress. In the Senate the vote on repeal was 56 to 6, and in the House it was 233 to 122, five members voting present.

The repeal, if approved by the President, will become effective on the last Sunday in October. At two o'clock in the morning of that day the hands of the clocks in the United States, which were moved forward one hour in April will be set back.

WILSON ARRIVES FROM BELGIUM

By Associated Press

PARIS, June 20.—President Wilson and party arrived here at nine o'clock this morning after an exhausting trip from the devastated regions of Belgium and a visit to the principal points in that country.

There was no demonstration upon the arrival of the president and he immediately motored to the Paris White House where at eleven o'clock the entire delegation of the Peace Conference met to consider the question of the attitude of Germany towards the signing of the treaty and discuss the situation in the event they did not do so.

DEPORT ALL U. S. FOES

(By Associated Press)

WASHINGTON, June 20.—Deportation is Attorney General A. Mitchell Palmer's remedy for Bolshevism and kindred evils. He indicated this in an address at the commencement exercises of Georgetown University.

A bill introduced in the House by Representative Albert Johnson of Washington at the instance of the Attorney General provides the legal implement with which to deport undesirable aliens.

A postal card from the nurse attending Mrs. R. P. Byrd at Watts Hospital, Durham, stated that Mrs. Byrd is doing fine and will be able to write home herself in a very short while.

NAVY AVIATION BILL PASSES

(By Associated Press)

WASHINGTON, June 20.—With the few dissenting votes the navy committee recommended the increase in naval aviation appropriation from fifteen millions to thirty five millions as recommended by Secretary Daniels.

ITALIANS WILL ACCEPT TERMS

PARIS, June 20.—The Italian delegation to the Peace Conference was instructed to accept the terms of the allied leaders on the Dalmatian controversy. These instructions came from Rome.

GILLIAN, HUMORIST, CLOSES CHAUTAUQUA

EFFORT WAS MADE AT LAST NIGHTS SESSION TO OBTAIN SIGNATORIES FOR NEXT YEAR BUT WITHOUT SUCCESS

DOUGHBOYS QUARTETTE ENTERTAINS

The Haskett Indian Band was the whole attraction at both performances yesterday and drew the largest crowd so far, though all through this Chautauqua the attendance has been lighter than the two previous years.

Effort was made last night to get a contract signed by fifty citizens for the Chautauqua to come back next year, but, notwithstanding a very excellent talk by Mr. Ashby W. Dunn and by the Bureau Chief, who had come here for this purpose, the people did not respond and only a few signatures were obtained.

This apparent want of interest is not that Scotland Neck does not like or want a Chautauqua but it does not think that the entire load of the work of preparation should be placed upon the shoulders

of the local people, and would rather pay more for a Chautauqua who would provide the seats and do more missionary work than the Community Chautauqua seems willing to do.

This afternoon and again tonight the Doughboys Quartette will offer patriotic songs such as "Over There"; "Dixie"; "I am Old Pal of Mine" and "I hear you calling me."

At night Gillilan, the humorist, will entertain. Strickland Gillilan talks or intimate things; of his children, and yours; of the war, and the weather, and the way women do their hair. Yet, beneath all his humor there runs an under-current of seriousness that belongs to the genuine thinker.

FRESH SPARTACAN OUTBREAK CRUSHED

IMPRESSION STRENGTHENED THAT THE EBERT GOVERNMENT CANNOT AND WILL NOT SIGN THE PEACE TREATY

NO STATE LIBRARY. KILLS THE SPARTACISTS PLOT

PTE LETSINGER DIED OF DISEASE

WASHINGTON, D. C., June 20.—Included in the three casualty lists issued by the war department we find the name of Private Romeo T. Letsinger, of Scotland Neck, whose next of kin is Peter Letsinger, died of disease.

Six hundred and twenty seven names are given in these three lists of which hten were men from North Carolina, whose names are given below.

(By The Associated Press)
WEIMAR, June 20.—Revolt and riot flared up here just as the National Assembly was settling down to debate whether Germany's answer to the revised peace treaty should be "yes" or "no."

The Spartacists, who had waited and carefully prepared for this Germany's "darkest hour," to seize the reins of Government and sign with tongue in cheek, made a desperate coup and lost, but not until after a bloody street battle.

Quiet and order are restored, but fresh attacks are looked for.

A half hundred prisoners recently released from military prison, where they had been confined for Spartacan and Communist agitation, marched on the castle at dawn, disarmed the sentinels, and were about to rush in to "arrest" the whole ministry, when, warned by premature shots, a strong force of Government soldiers inside sprang to arms and administered to the attacker's a smashing reception and driving them back into the street, where the battle was fought to a finish. Several of the Spartacists were captured and will be shot.

The foiling of the plot is due to the foresight of Minister of Defense Noske, and many of his party brethren, who a few days ago attacked him at the Social Democratic Convention here for his "ruthlessness," thanked him warmly for having prepared the "strong-arm" measures.

Discussion of the revised treaty is thus far confined to the Assembly's Peace Commission, but open debate of the question of acceptance or rejection is about to begin.

Everything that has been said in official quarters in the last twenty four hours strengthens the impression that the present Government cannot and will not sign.

NOT LIKE HIS MISSOURI BROTHER

The French imitation of the American mule isn't everything it might be but it is enough to further entente cordiale between peasants "over there" and the large percentage of the American Army which comes from the mule-raising sections of America. This doughboy of Headquarters Troop, Twenty-seventh division, and the accompanying water carrier of Beauval, have found a common interest in the humble animal who speaks all languages.

NEW YORK GUARD BEEN MOBILIZED

NEW YORK, June 20.—Mobilization of the Brooklyn National Guardsmen has been ordered by Brigadier-General Robb. These units of the New York Guard with the exception of the Thirtieth Coast Artillery and Squadron C., First Cavalry, are included in the order.

It was said at the Twenty-third Regiment Armory that the mobilization was called for six o'clock P. M. last night.

It was further stated by military authorities that the plan is a test one and has nothing to do with the border trouble with Mexico.

Ireland evinces a strong determination to secure self-determination.
