## Tom McClennon Gains 25 Pounds

Had Rheumatism So Bad He Couldn't Put On Shoes—Tanlac Over Comes It.

"The Reason I'm so strong for Tanlac is because it has relieved me of three years' awful suffering and I've gained 25 pounds besides," said Tom McClennon, of 1213 Grama Street, El Paso, Tex.

"Before I began taking Tanlac," he continued, "my legs and feet were so badly swollen that sometimes I couldn't even put on my shoes. The pain was awful and I was so nervous I could hardly sleep. I had no appetite and the little I forced down soiled and the gas pressed on my heart so I could hardly breathe. I felt tired all the time and would wake up in the morning feeling so bad I could hardly get out of bed.

"I tried everything I could hear of but got no relief till I started on Tanlac, and now I feel like a brand new man all over. My appetite is fine, everything I eat agrees with me, my nerves are steady as a clock and I sleep like a log. All the swelling and pain have left my feet and legs and I am never bothered with gas on my stomach or shortness of breath or other signs of indigestion. Tanlac is the best medicine I ever used and I gladly recommend it to others."

All druggists sell Tanlac.

## OPENING DINNER AT THE HOTEL

Manager Frank Taylor certainly did himself proud yesterday in his opening dinner, for which general praise was heard by the many guests that he served, so that it is a matter of news to tell what he served.

There was vegetable soup, roast beef and brown gravy, baked chicken and dressing, coconut fritters, creamed white potatoes, candied yams, steamer rice, corn bread, peach pie and coffee.

No wonder the chefs of the "Cheer Up Mabel" company seemed happy.
