### GERMAN AIRCRAFT FIRMS ENCOURAGED BY THE GOVERNMENT

Each Firm to Develop a Specific Type of Plane

### AERIAL POWER IS ALL

Berlin, Feb. 3.—Propaganda is being launched in Germany which observes believe is designed to stir up enthusiasm for the idea of aerial superiority in Spain. Many thousands more large winter residences at Southern Switzerland, Germany, are Pines said to have been put Holland and the Scandinavian at the President's disposal for the period of his visit.

An organization keeps the government in touch with demobilized pilots and lectures and demonstrations are being arranged in the schools to stimulate interest in aerodynamics. An association has been formed by German aircraft designing firms, each undertaking, with governmental approval, the development of a specific type of plane.

Carl Derriks a Globe Walker Left Brazil for San Francisco In October

### CARRIES CANE SWORD

Buenos Ayres, Feb. 3.—Carl Derriks, a Dutch "globe walker," who is traveling afoot from Rio de Janeiro, Brazil, to San Francisco, U. S. A., as representative of the Handelsbank of Amsterdam, arrived here today from the Brazilian capital, which he left on October 20.

From here, Derriks crosses the continent over the Andes mountains to Santiago, Chile, where he will make his way north through that country and the other west coast countries, California, Mexico and thence to San Francisco before June 1, completing on foot a journey of about 12,400 miles.

For defense while traveling, he carries through wild sections his .38 cal. Peacemaker and other equipment to the value of \$1,000, including a revolver, pistol, knife, gun, and other personal effects. But these hostiles who will be future visitors to the Americas, he said, he had no fear.

He and his wife, Mrs. Carl Derriks, are making a world tour.

### YET DEMANDED BY ALLIES

Philadelphia, Feb. 3.—Payment for building the Philadelphia City Hall has just been completed, although construction was authorized by the legislature in 1870. A nominal tax for its construction was levied on all taxpayers in each of the following six years. At that time, however, the city did not have the power of lien for taxes and as a result, most of the building taxes remained delinquent.

Hartford, Conn., Feb. 3.—The first prohibition raid here under the Volstead law netted 46 prisoners yesterday. Cheap whisky, made locally from grain alcohol, was being sold to hundreds of thirsty ones when a dozen raiders surrounded the saloon.

Drink Bill in 1918—  
the Secondaries of  
259,000,000 Pounds

## SHOWS DECREASES

London, Feb. 3.—Great Britain's drink bill for 1918 is estimated to reach the record figure of £259,000,000 yet statistics just issued show a decrease in consumption and an increase in a briety.

In 1905 the convictions for drunkenness in England and Wales totalled 207,171; in 1910 they were 161,407 and in 1911 they numbered 188,877, but from then onward the convictions dropped sharply to 135,811 in 1915, 84,191 in 1916, 46,410 in 1917, and 29,075 in 1918.

The number of public houses has also decreased from 103,311 in 1905 to 84,611 in 1918. Another action will be taken up Friday.

### JEWISH MOTHERS BEST IN LONDON EAST SIDE CONFERENCE OF CLOTHING MEN AND OFFICIALS

Dr. C. W. Saalby Also  
Says the Irish Mothers were  
Not a Bad Second

## BREAST FEEDING

London, Feb. 3.—The best mothers in London's East Side, the poor district, are Jewish. In the opinion of Dr. C. W. Saalby, Chairman of the National Birthrate Commission, as expressed in an address at University College, Dr. Saalby added that Irish mothers were not a bad second, and that the English ranked as a very bad third.

He explained that in the case of the Jewish and Irish mother this was a direct result of race. Present feeding was virtually universal among them and with the collector might be met ty—and there are a number of them. There was a minimum of that. But Senator Overman now registers a vigorous objection to this be determined. The enormous increase in the number of divorces, mortality was not only a medical problem but a social problem.
