TWO BROTHERS ELECTROCUTED IN RALEIGH THIS MORNING

Joe And Gardner Cain Moonshiners, Both Declared They Were Ready To Die

FOR MURDERING RILEY EASTER

Raleigh, March 5.—Filed twelve o'clock today, Joe and Gardner Cain, Surry County moonshiners, were electrocuted at the state prison here this morning for the murder of Riley Easter. This was the first double execution of two men to take place in this state. The brothers were baptised yesterday by a Methodist minister and both went their way declaring they were ready to die, Joe being executed first. The man displayed the slightest emotion as he was led from the cell to the death house. Both were saying "I am ready to go to God." Easter was killed by the Cains and Joe Bowles when they returned home because Jim Bowles, the son they claimed had been a whiskey still belonging to them and reported them to the authorities. The Cains and Bowles were convicted of a double murder and the three were sentenced to die in the electric chair. The governor recently pardoned Bowles, sentenced to two years imprisonment, but he was later executed with the sentence of the Cains.

LOADS OF WOMEN LEAVE BRITON FOR CANADA ALREADY

Excess of Women a Million And a Quarter

SPINSTERS THERE

New York, March 4.—The Salvation Army in the British Isles, working in cooperation with the government is promoting emigration of the approximately 1,200,000 women in excess of the male population there. Commissioner David C. Lamb, London foreign secretary of the Army on a mission to the United States has announced here.

Spinsters or emigration is the fate of these women, the commissioner asserted, adding:

"We offer no apology for active propaganda designed to procure a better distribution of the sexes. There are a million and a quarter more women than men in the British Isles today, and one of the biggest after the war has been assigned the Salvation Army in Britain is to stimulate female emigration and direct it to those colonies in the British Empire such as western Canada and portions of Africa and Australia where there are more male than female inhabitants. The prospect of placing female domestics in the United States has not been overlooked.

"The Salvation Army has dispatched several shiploads of emigrants to Canada already. We help them make arrangements to leave the old country, provide transportation when necessary and through our world-wide organization see to it that the emigrants are safely settled in the new land.

"Our records show that of the girls who immigrated some years ago to certain sections where women were in the minority 60 per cent were married within three years of their arrival. This fact and the opportunities for work at good wages in other lands are of great significance to the tens of thousands of thoughtful and enterprising women in the British Isles."

"Well-built skyscraper flats and office buildings would be a boon to Londoners and there is no reason why we should not be as happy in them as New Yorkers are in theirs," adds the paper.

Roper is One of Mr. McAdoo's Greatest Friends in the Country

McADOO TURNDESERVES ANOTHER

Washington, March 5.—An announcement by Daniel C. Roper, Commissioner of Internal Revenue, that he is going to leave his position is said by his close friends to provide an interesting statement, namely: That William Gibbs McAdoo, former Secretary of the Treasury, is a little more active as a candidate for the Presidency. This is the word which was being passed around the House by close friends of both Mr. Roper and Mr. McAdoo. That a former announcement that Mr. Roper would be Mr. McAdoo's manager will be made is denied. Mr. Roper's activity in politics will be linked up with the ambition of certain Democratic leaders who want Mr. McAdoo to be the candidate. Mr. Roper is one of the greatest friends Mr. McAdoo has by the treasury department at the present time. He was selected by Mr. McAdoo to be commissioner of Internal Revenue when it became imperative that an organization should be had to administer the new revenue law and as an organization he has succeeded wonderfully in his friends' eyes.
