**To Employer & Employee**

**TO EVERY EMPLOYER:**

Put yourself in the employe's place, think his thoughts, note his needs and then do unto him as you would, if positions were reversed, have him do unto you.

**TO EVERY EMPLOYEE:**

Bear in mind that in accepting pay from your employer, you are by that very fact binding yourself to a moral obligation to work to your ability, and that if you fail to do so you are robbing your employer of what he has brought and on are robbing yourself of a clear conscience and of moral integrity.
