"PLEASE STOP MY—"

A newspaper is the great national book. It penetrates into the heart of nearly every family and silently does its work. It can drop the same idea into the minds of thousands of people at the same time. There are many people who read nothing else, almost no one reads that does not read the newspaper, and hence, as an advertising medium it is by far the cheapest and best; and every business man who wishes to prosper and become a power in the land will have to keep the word "advertise" constantly before him; take advantage of it on every hand; don't let an opportunity pass to make your name and business favorably known. Every advertisement inserted attracts the eye of the outside world, and nothing else tends more towards the growth of a city.

But there is something else that costs me a large amount every year, which I wish to save. Please stop my—" Ribbons, jewelry ornaments, and trinkets? "No, no, not those, but I must retrench somewhere. Please stop my—" Tobacco, cigars, snuff? "Not these at all, but I believe I can see a way to effect quite a saving in another direction. In Bavaria, the state railways forbade kissing either on stations, where friends, relatives and families are united, or on trains, while France issued an order two years ago forbidding kissing on trains.

Gained Ten Pounds

Before Taking ZIRON, Alabama Man Was Weak, Nervous, Had No Appetite, But is Now Strong.

EVERY man and woman, who is in a run-down, weak condition, with bad complexion and poor appetite, due to lack of iron in their blood, should find Ziron helpful and strengthening. It is a scientific, reconstructive tonic, composed of ingredients recommended by leading medical authorities. Describing his experience with Ziron, Mr. George W. S. Lanier writes from Jones, Ala.: "Sometime back, I was in a terrible condition. I was weak and nervous, and had a tired feeling all the time. My skin was muddy. I

had no appetite, and at morning I didn't feel like getting up. I was reading of Ziron and decided I would try it. . . . "Will say that Ziron is a good medicine. I have gained ten pounds in four months. Am strong and have a good appetite." Ziron is a mild iron tonic, good for young and old. It helps to restore the system, when run-down by overwork, under-nourishment, caused by stomach or bowel disorders, or as a result of some weakening illness. Get Ziron from your druggist. He sells it on a money-back guarantee.
