WILL THEY COME

Members of Scotland Neck fine arts come forward and show a spirit of generosity and interest in helping the library. James Charles Alexander has donated one year's subscription to "The American Boy", and this magazine will be found regularly on the library table. The Library Association greatly appreciates the gift.

CLEVER STORY

The story of "The Mollycoddle" which will be the feature production at the Dixie Theatre tonight and tomorrow and which is the third production Douglas Fairbanks has made for the United Artists Corporation, was suggested by Harold McGrath, one of the greatest of America's story writers. The character of the title role is that which conclusively proves that "blood" is thicker than water and that all the environment in the world will never change the real latent characteristics of heritance in anybody.

Don't forget we finish up our serial picture "Daredevil Jack" featuring Jack Dempsey Monday night and also start the new serial "Fighting Fate" featuring William Duncan and Edith Johnson. Prices children 20, adults 25.

ARE YOU GUILTY?

A FARMER, carrying an express package from a big mail-order house was accosted by a local dealer.

"Why didn't you buy that bill of goods from me? I could have saved you the express, and besides you would have been patronizing home store, which helps pay the taxes and builds up this locality."

The farmer looked at the merchant a moment and then said:

"Why don't you patronize your home store and advertise? I read it and didn't know that you had the stuff I hate here."

THE personal experience of Mrs. Nannie Phillips, of Powder Springs, Ga., is printed below in her own words:

"I would get out of heart and blue. I would feel like I was going to be down in bed. Yet I kept dragging around.

"We heard of Ziron, but from what I read, I was sure it wouldn't hurt me. If it didn't help me. But after taking it, I found it really helped me, and I sent back for more. I ate better, felt much stronger. I am sure Ziron is a splendid tonic."
