A full rehearsal by the Hobgood and Scotland Neck groups which will take part in the Halifax County Historical Pageant at Weldon, May 6th, will be held on the Graded School grounds at Scotland Neck, Friday, April 29th, at 11:00 o'clock in the morning. A ball game that perhaps will not be the most errorless affair of the season but on which will be thoroughly enjoyed by all of those present will be the Bachelors vs the "Hen-Pecks" which will be staged at the local ball park Wednesday afternoon at 4:30. Many will doubtless remember the ludicrous affair the latter part of last season when these same two teams mixed.

Scotland Neck, N. C., April 25, 1921

To the Editor:

The time is drawing near for the coming municipal election, which comes off in May. So far I have not heard very much about who we will have to run our town for the next two years. I want to say that I think it very important that we elect the right man for our Mayor; a man who can give the office the necessary time; a man who is not only fit by temperament and ability, but a high-toned, christian gentleman, who is a leader in all good works for the town and this community. Yes, we need for our Mayor a man with a plenty of good commonsense, who can see your side, my side, and the right side of any question which may come up. When we want a real man to fill any great office in our State, or run our schools, we want a high-toned christian gentleman to fill these places. Now, why not display the same rule and use the same good judgment in electing a man for Mayor of our town.
