**BIBLE THOUGHT FOR TODAY**

**A SUN AND SHIELD.**—The Lord  
 God is a sun and shield: the Lord  
 will give grace and glory: no good  
 thing will be withheld from them  
 that walk uprightly.—Psalms 84: 11.

**TOO LATE TO DICTATE**

Lloyd George in an ultimatum  
 calls upon the Germans to abro-  
 gate the treaty with Russia or be  
 debarred from the Genoa confer-  
 ence in discussing Russian affairs.

It is too late now to try to  
 hold the whip over Germany and  
 Russia and to tell them what  
 they may or may not do. The  
 treaty between them is signed  
 and we do not believe that either  
 party to the trade will be in-  
 duced to withdraw, for it means  
 a great strengthening of both  
 and the Germans realize that it  
 puts them in a much stronger  
 position in dealing with the Al-  
 lies, and no doubt Russia feels  
 that it will mean the speedy re-  
 habilitation of that country.  
 Sooner or later it will be found  
 that Japan will be drawn into  
 an understanding between the  
 three and then the balance of  
 the world may look to its own  
 interests, for that would be a  
 formidable alliance and one  
 which would threaten the peace  
 and safety of the world. The  
 allies have been hoodwinked by  
 Germany and Russia and the  
 sooner they realize it and make  
 preparations to meet the menace  
 of this union the stronger their  
 position will be to combat that  
 influence.

**WOMAN'S PLACE IN THE  
 WORLD**

Born and reared in the lap of  
 luxury, of a prominent Southern  
 family, famed for her beauty,  
 married to a nobleman and the  
 mother of several children, it  
 would seem that Lady Astor  
 would have considered that her  
 life had reached its full attain-  
 ment, yet she was not satisfied  
 and as she says she started on  
 her "downward career from the  
 home to the House."

Just as it was with Lady As-  
 tor so it is with other women all  
 over the world and throughout  
 this country. No longer does  
 woman feel that her sole ambi-  
 tion should be the home and the  
 mother of children, but rather  
 that she should take her place  
 along side of man in the shaping  
 of affairs and in the moulding  
 of the policies of governments  
 and nations. The rubbing of el-  
 bows of women with the world  
 will not have a tendency to im-  
 prove women but woman's in-  
 fluence in affairs of every day  
 life and in politics will have a  
 beneficial and cleansing effect  
 and the world will be a better  
 place in which to live through her  
 influence and interest in its af-

**FIRST THOUGHT FOR COUGHS  
 WHITEHEAD'S LUNG BALSAM**  
 Sold on a Money-Back Guarantee  
 By E. T. WHITEHEAD CO.

We believe, as Lady Astor  
 says, "One sex" cannot govern  
 alone" for there are many ques-  
 tions on which woman's judg-  
 ment would be infallible and  
 where man's would fail lament-  
 ably.

Lady Astor says further:  
 "Don't let us make the mistake  
 of ever allowing that to happen  
 again." "I can conceive of  
 nothing worse than a man-gov-  
 erned world, except a woman-  
 governed world, but I can see  
 the combination of the two go-  
 ing forward and making civili-  
 zation more worthy the name of  
 civilization based on Christianity,  
 not force; a civilization based on  
 justice and mercy."
