MR. RAY "COMES BACK" AT MR. VAUGHAN

Mr. J. D. Ray, one of the judges in the recent Old Time Fiddlers Convention, given by Mr. D. E. Henderson, has seemingly taken offense at the write-up given that entertainment by me. He has handed me an answer to my article and asked me to publish it, which I will do one day next week, as we haven't the space on the inside pages this week.

As Mr. Ray is "coming back" so strongly, calling my name several times, I shall re-publish the article he refers to, his answer and my reply to him in the same issue, hence the delay in getting it in the paper. I shall wait for space to get all three in the same issue.

In this article, it will be recalled I referred to Mr. Marion Murphy, of Rose Hill, as having made a hit with the audience. Mr. Ray takes this to mean a criticism of the judges on my part, which I deny as being what I meant. I simply stated facts and have no apologies to make to anyone.

CLEE VAUGHAN.

I hereby announce that I will be a candidate for Clerk Superior Court of Halifax County, subject to the Democratic Primary to be held on June 3, 1922.

I also take this opportunity express my sincere thanks to the people of Halifax County for their loyal support in the past and assure them that if nominated and elected I will endeavor to give them the best service possible as their Clerk.

Respectfully,  
STERLING M. GARY.
