No such choking or anxiety if you will take Baalman's Gas Tablets, which are prepared especially for stomach gas and particularly for all the bad effects from gas pressure against your most vital organ—your heart.

That empty, gone and gnawing feeling at the pit of your stomach will disappear; that anxious, nervous feeling, with heart palpitation, will vanish, and you will once more be able to take a deep breath, so often prevented by gas pressing against your heart and lungs.
