GRAND VIRGINIA DISCOVERY. Some four months since our excellent townsman NAPHTALI EZEKIEL, informed us that he had prepar ed a hair restorer, with which he was experimenting upon his own head, whose top was entirely bald. We saw him two days since, and on the place so bald four months since, a fine crop of hair has sprung up with a vigorous growth. So convinced is Mr. Ezekiel of the efficacy of his discovery, that he has named it "THE INFALLIBLE VIRGINIA HAIR RESTORER." Mr. E. is about going into an extensive manufacture of an article which is destined to prove of anxious interest to our bald pated friends.-Richmond Enquirer, Dec.
