"THE FIRST AND THE LAST." THIS SAYING was exemplified in the course of North Carolina, as regarded her action in days of the Revolution. The Mecklenburg Declaration of Judependence, signed by Ephraim floward, and others, was the first public assertion of the right of a State or colony to be free-to seede; and North Carolina was the last to ratify nually, and we shall be pleased to operate for parthe articles of confederation between, and forming these United States! Thus, quick and prompt to resist and repel aggression, she was slew to delegate away any of the powers vested in her. The Inimitable CASSIDEY has also just received 10, 000 Sweet Oranges, which he is offering at theun precedentedly low prices of \$1,25 a \$1,50 per hun dred, at the Rendezvous.
