**GRAND VIRGINIA DISCOVERY.**  
Some four months since our excellent townsmen, NARRANS HARRIS, informed that he had prepared a hair restorer, with which he was experimenting upon his own head, whose top was entirely bald. We saw him two days since, and on the place so bald four months since, a fine crop of hair has sprung up with a vigorous growth. He conceived in Mr. Beekel's efficacy of his discovery, that he has named it "THE INFALLIBLE VIRGINIA HAIR RESTORER." Mr. M. is about going into an extensive manufacture of articles which is destined to prove of anxious interest to our bald patred friends.—*Richmond Enquirer,* Dec. 12, 1860.  
This famous article can now be had of the principal Druggists. Those persons who desire a fine head of hair, have only to use the restorer according to printed directions on the bottle. Those who have any doubts of its efficacy can have them removed in a short time, by using the Virginia Hair Restorer. Its infallible, proving that it is all it is claimed to be.
