He trusts tLat after a business intercourse with the people of Wilmington and the surrounding country, of nearly forty years duration, he is sufficiently well known to justify him in dispensing with any more lengthy announcement, while he feels confident that his long experience of the trade and of the wants and wishes of the people, will enable him to render satisfaction to all who may favor him with their custom. Ph. sicians and medicine failed to relieve me .-Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassfull, after din-ner. Feeling better by degrees, in a few days 1 was astonished to find the coldness and cramps had entirely left me, and I could sleep the night, through, which I had not done for years. If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one-half of the weakness, prostration and distress experienced by them would vanish. James Marsh, 1 sq., of 150 West 14th St., N. Y., says "he has three children, the first two are weak and puny, his wife having been unable to nurse and attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old, which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," etc.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, etc., will find speedy relief through these Bitters.
