The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material, and of pure quality, although the prices have so largely advanced."

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

REEDSBURY, Wis., Sept. 16, 1863. I have been in the army hospitals for fourteen months—speeched and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. Three bottles restored my speech and cured me. C. A. FLAUTE.

SOFTON, WASHAW, O., July 28, 1863. One young man, who had been sick and not out of the house for two years with Scrofula and Erysipelas, after paying the doctors over \$150 without benefit, has been cured by ten bottles of your Bitters. EDWARD WOODALL.

The following is from the Manager of the Union Home School for the Children of Volunteers: HAVENSTER MANSION, FIFTY-SEVENTH STREET, New York, August 2, 1863.

"Da. Drake: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs, with most happy effect. One little girl, in particular, with pain in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. Respectfully, MRS. O. M. DEVOE."

"I owe much to you, for I verily believe the Plantation Bitters have saved my life." REV. W. H. WAGGONER, Madrid, N. Y.

"You will send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use." THY FRIEND, ASA CURRIN, Philadelphia, Pa.

"I have been a great sufferer from Dyspepsia, and had to abandon preaching." The Plantation Bitters have cured me. REV. J. S. CATHORN, Rochester, N. Y.

"I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect." G. W. D. ANDREWS, Superintendent Soldiers' Home, Cincinnati, O.

"The Plantation Bitters have cured me of Liver Complaint, of which I was laid up prostrate and had to abandon my business." H. B. KINGSLLEY, Cleveland, O.

"The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm." C. C. MOORE, 954 Broadway, N. Y.

S. T.—1860—X. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, etc., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and harmless.

Any person refilling bottles, or offering those Plantation Bitters in bulk by the gallon, or in any manner, except as above, is a swindler and impostor, with whom we shall deal as the law directs.

Burning of the Museum. LETTER FROM MR. BARNUM. New York, July 14, 1865. Messrs. Herring & Co. Gentlemen—Though the destruction of the American Museum has proved a serious loss to myself and the public, I am happy to verify the old adage, that "It is an ill wind that blows nobody good," and, consequently, congratulate you that your well-known sales have again demonstrated their superior fire-proof qualities in an ordeal of unusual severity.

The safe you made for me some time ago was in the office of the Museum, on the second floor, back part of the building, in the hottest of the fire. After twenty-four hours of trial it was found among the debris, and on opening it this day has yielded up its contents in very good order—books, papers, policies of insurance, bank bills, all in condition for immediate use, and a noble monument to the trustworthiness of Herring's Fire-Proof Safes. Truly yours, P. T. BARNUM.
