Written for the MAIL.

AT THE OPERA.

BY F. M. BIRCHER.

I wrote, "I have two songs to sing to you."

Heaven, since it was a fatal hour.

My smile of pleasure changed to blank despair.

Then jealousy that fatal, red-hot glow.

But she, unconscious of my grief, saw there.

And she passed that wretched afternoon.

Oh, how often I wish I could see you.

My angry passion melted into air.

Articles on Ireland.

Again, while Henry George, a writer on political economy.

Nothing of any particular interest occurred until they arrived at Longhead.

They were asked numerous impertinent questions as to their business and intentions in visiting that neighborhood.

Mr. George was not in the least surprised at the treatment they received but rather enjoyed it.

He also wrote a pamphlet stating his views on the subject.

The London Times sneeringly said it only took a few hours in Ireland to make Dr. Joyce change from being English to a very good Irishman.

Henry George says: "I doubt if an American, until he comes here and gets the feel of the thing."

Mrs. McDougall, an American lady, also traveled through Ireland as correspondent of a New York paper.

Joseph Cowan, an English member of Parliament for Newcastle on Tyne and editor and proprietor of the Newcastle Chronicle.

During the passage of the executive message in Parliament he made a great speech in favor of Ireland.

My smile of pleasure changed to blank despair.

Then jealousy that fatal, red-hot glow.

But she, unconscious of my grief, saw there.

into the position of the controlling power on the west coast of South America.

Our defenseless condition in the Pacific is not safe; it is not compatible with those relations of power to power there which would be sure guarantees of peace.

I beg you also to give a thought to the important relation of the presence of such a power as Chile is growing to be in the South Pacific to our pretensions of a right to control any isthmian canal by virtue of our possessions in the North Pacific.

THE FATHER OF NIHILISM.

The Founder of the Russian Revolutionary Party.

Secret revolutionary societies have always existed in Russia, but they had no positive programme and were the spontaneous outcome of dissatisfaction rather than the result of a preconceived plan.
