ARRIVAL OF AN IRON-CLAD .- The double turreted iron-elad, "Lillian," under command of Rear Admiral BARRY, reached here yesterday. She has been on a cruise after " rebel" rosin and turpentine, large quantities of which are stored in the neighborhood of Fayetteville. She was quite successful in her search, and comes into port loaded with the "spoils." We regret to notice that Rear-Admiral BARRY is looking extremely delicate. His pale features and attennated form are exciting the liveliest emotions of sympathy on the part of his numerous friends.

Isquest.-The Jury of Inquest which sat over the body of THOMAS LANE, who was wounded on the 4th of July last, and died from the effects of the same on the 21st of November last, rendered the following verdict : "The deceased came to his death on the 21st of November from the effects of a gunshot wound inflicted, by Corporal WALKER, of 37th Regiment United States Colored Troops, on the 4th day of July last, about noon, by direction of Sergeant WILLIAM WILLIAMS, of the some regiment, who had shot at and missed him, Corporal WALKER."

INDUEST, -The body of a negro soldier whose dead on Saturday last, in the stables formerly used as a liverly stable by Mr. GRANT, but at present used by the government. A jury was sum, moned and finding no marks of violence on the body, rendered a verdict "that he came to his death from some visitation of the Almighty."

other nominces for municipal honors, are no passing through the fiery ordeal of editorial party vituperation. In the present canvass the antipodes have met together harmoniously. HORACE GREELEY and FERNANDO WOOD support the "Reform," or Citizen's Association candidate, JOHN HECKER, for Mayor; and according to H. G.'s present opinion of F. W., all the abuse formerly heaped upon the latter gentleman by Editor GREELEY may be taken in a Pickwickian senses.
