No. 65. REGULATIONS FOR REGISTRATION. I. Registration shall commence immediately

upon the promulgation of this order.

II. Post Commanders will be Superintendents of registration within their respective commands, exercising, in addition to the functions hereinafter specially conferred, a general supervisory authority, looking to the faithful execution of the several Reconstruction Acts, the mainten-ance of order, and the protection of political rights. They will suspend registrars for malfeas-ance in office, neglect of duty, or incompetency, promptly reporting their action, with the reasons therefor, to these Headquarters.

III. The Boards of Registration are empower ed and required to suppress all disorders interfering with the execution of their duties, to cause the arrest and confinement of all persons falsely taking the cath prescribed, all persons committing any breach of the peace or conducting themselves in a manner tending thereto, and all persons who shall threaten or otherwise attempt to intimidate, or corruptly or improperly influence any citizen offering to reg ster; and for this purpose they may apply for aid to the Post Cominander, and may require the attendance and services of sheriffs, their deputies, constables, policemen, and also of any citizen; and all State, district, county and town officers charged with the preservation of the public peace, as well as all citizens, are required to obey the orders of said Boards, given in pursuanae of the authority aforesaid and to perform all such acts and duties as may be requisite therefor.

All arrests made as herein provided will be promptly reported to the Post Commander to whom also the prisoners will be turned over with charges for trial by a Post Court, to be organized as provided in Circular of May 15, 1867. from these Headquarters, and any civil officer or citizen failing to respond to the call of the

V. Offences perpetrated by white persons dis-guised as blacks, being of frequent occurrence, the attention of all authorities, civil and military, is directed to the device, as one adopted to escape detection, and to cast unmerited obloquy upon the colored people. In all cases, when resort thereto shall be shown, the fact will be taken into consideration as aggravating the

Depriving a citizen of any right, benefit or advantage of hire or employment, to discourage him from registering, or on account of his having registered or having sought to register, shall be deemed an offence punishable by the Post Court, and shall entitle the injured party to damages against the offender, any clause in any contract or agreement to the contrary notwith-

VII. The Act of Congress entitled "An Act for the more efficient government of the rebel States," and the several Acts supplementary thereto, will be carefully observed by ali Boards

of Registration. VII. Each Board shall, after having taken the oath prescribed by the Act of Congress of July 2d, 1862, entitled "An Act to prescribe an oath of office," (see Appendix, form 1,) choose one of its members as chairman, who shall preside at all sessions of the Board, preserve order at its meetings for registration, and represent the Board, and announce its action in all matters coming before it.

IX. The places of session of the Boards shall be the voting places established by law or cus-tom in each election precinct, unless for good cause otherwise directed by the Post Comman-

X. Each Board shall determine the order in which the registration shall take place in the several election precincts, that may be assigned to it by the Post Commander, and the time which shall be allotted to each, bearing in mind that the whole work is to be finished before the

first day of October. XI. Each Board shall, forthwith upon notice of publication of this order, and at least five days before commencing registration, give notice thereof for the Post Commander, and the sheriff, and the mayor of the city or the intendant of the town, and shall cause written or printed notices to be posted in five of the most public places in each election precinct, announcing the time when and the place where its sessions will be held, the number of days (in no case less than two), and the hours of the day the Board will remain in session at each place for the purpose of registration; and inviting all persons qualified to vote under the provisions of the Act of Congress passed March 2d, 1867, entitled "An Act to provide for the more excient government of the rebel States," and the several Acts supplementary thereto, to appear before the Board of Reg-

XII. On the day and at the hour designated in the notice, for commencing registration, the Board shall, at the place announced, convene and enter upon its duties, and shall then and there also post notices of the time of final sessions provided for in paragh XIX.

XIII. The room used for registration, which the chairman shall have previously provided for the purpose, shall be so arranged that the Board shall be saparated by a bar from all other persons who may be assembled and those to be registered shall be admitted within the bar, one by one, and their ingress and egress so arraigned as to XIV. Two citizens shall be admitted within

the bar as challengers, whose duty it shall be to challenge the right of any citizen offering to register, upon any of the grounds of disqualifi-catioe enumerated in the Acts of Congress before cited; but the general right of challenge shall be conceded to all citizens present. XV. If any challenge be made, the Board shall, before final decision, examine the person presenting himself for registration, in refarence to

the cause of disqualification alleged, and shall hear any evidence that may be offered, to substantiate or disprove the cause of challenge, and shall have power to summon and compel the at-tendance of witnesses and administer oaths in corrupt perjury.

any case of registration. XVI. In registerikg, the names of white and colored citizens shall be entered, alphabetically, in separate columns of the list. XVII. The following shall be the process of egistering:

First. Every citizen presenting himself for registry shall take and subscribe the oath prescribed by law, (see Appendix form 2,) which shall be administered by a member of the Board, and such oath shall be preserved with the lists
Second. His name shall then be entered in the

proper column of the list, and called out by the hairman. Third. Any challenge made shall be noted in the proper column, opposite the name, with the cause thereof.

Fourth. It is recommended to Boards to defer

the hearing and decision of contested cases until the session for revision provided for in paragraph Fifth. Whether or not there be any challenge, the Board must ascertain upon such facts or information as can be obtained, that the applicant is entitled to be registered before marking his name as "accepted"—the oath not being con-

clusive. Section 7 of the act of July 19th, 1867, declares that no citizen shall be entitled to vote by reason of any executive pardon or amnesty for any act or thing which without such pardon or amnesty would disqualify him from registration.

acted by Section 6 of the Act of July 19th, 1867, that the true intent and meaning of the oath prescribed in said supplementary Act is, (among other things,) that no person who has been a member of the Legislature of any State, or who has held any executive or judicial office in any State, whether he has taken an oath to support the Constitution of the United States or not, and whether he was holding such office at the commencement of the rebellion, or had held it before, and who has afterwards engaged in insur rection or rebellion against the United States, or given aid or comfort to the enemies thereof, is entitled to be registered or to vote; and the word "executive or judicial office in any State" in said oath mentioned, shall be construed to include all civil offices created by law for the administration of any general law of a State, or for the administration of justice.

Elighth. If there be no challenge, or if the challenge be finally overruled, and the Board determine that the administration of the state of the challenge of the c

lenge be finally overruled, and the Board determine that the applicant is entitled to be registered, the Board shall mark opposite the name of the applicant, in the proper column, "Accepted ;" and he shall thereupon be deemed legally regis-

Ninth. If the final decision of the Board be that the applicant is not entitled to be registered, the Board shall mark in the proper column, opposite his name, " Rejected."

Tenth. In every case of a rejection, the Board shall make a note or memorandum, setting forth the ground of such rejection, and return it, with the registration list, mentioned in paragraph XVIII. The registration, conducted as provided in paragraph XVII, shall be made in triplicate lists, two of which shall, after the conclusion of the first session, be exposed for public inspection at convenient places, for five days; and the third shall be retained in possession of

the Board till after the completion of registration at the meeting provided for in paragraph XIX, when the three having been compared and verified, shall be certified in the form prescribed and printed at the end of the blank registration XIX. Sessions for revising the lists shall be held in each election precinct, after said five days exposure of the lists, upon notice as provided in paragraph XII, and the Boards of Registration shall have power, and it shall be their duty, to

revise the same for a period of two days; and upon being satisfied that any person not entitled thereto has been registered, to strike the name of such from the list. And the Boards shall also, during the same period, add to such registry the names of all persons who at that time possess the qualifications required by said Act, who have not been already registered and who shall then apply to be registered.

XX. One of the said lists shall then be imme-

diately delivered to the Post Commander, who will forward the same to these Headquarters. XXI. Each Board shall, at or before the conclusion of registration, forward through the Post Commander to these Headquarters, a recommendation of three suitable persons for Inspectors of Elections in each election precinct, stating the name, occupation and postoffice address of each person recommended.

XXII. It is enjoined upon all Boards of Registration to explain, carefully, to all citizens who have not hitherto enjoyed the right of suffrage, the nature of the privileges which have been extended to the privileges which have been extended to them, and the importance of exercising with intelligence the new and honorable franchise with which they have been invested by the Congress of the United States.

XXIII. Boards will take notice that according to Section 10, of the Act of July 19, 1867, they are not to be bound in their action by any opinion of any civil officer of the United States. XXIV. Boards are instructed that all the provisions of the several Acts of Congress cited, are to be liberally construed, to the end that all the

intents thereof be fully and perfectly carried out. XXV. The attention of all concerned is directed to the requirements of Section 4 of the said Act of July 19, 1867, by which it is made the duty of the Commanding General to remove from office all persons who are disloyal to the government of the United States, or who use their official influence in any manner to hinder, delay, prevent or obstruct the due and perfect adminisration of the Reconstruction Acts. The names of all such offenders will be reported through the Post Commander; and all persons in this Military District are called upon to aid and facilitate the execution in good faith of the said Acts and the orders issued in pursuance thereof.

XXVI. The Major General Commanding, in the exercise of an ultimate revisory authority, will, in due season, before the holding of any election, entertain and determine questions assigning errors in the registry, and will, upon in spection of the completed lists, cause corrections of the same, that the true design and purpose of the laws be faithfully answered and that all the ights thereby guaranteed be fully and fairly en-
