Measure around the body two inches below the top of Hip Bone. State the side afflicted, also if lean or fleshy, and give plain directions about sending. Cash must accompany the order. A special department has been fitted up for the treatment and radical cure of Hernia and kindred diseases. It is under the special care of the President of our Company, who is acknowledged by the profession to have no equal in this speciality. By wearing the Lever Truss and bathing the afflicted parts with DR. GREGORY'S CELEBRATED HERNIA LOTION, the most obstinate cases can be cured. Prices for Trusses vary from 5 to 50 Dollars according to quality and the condition of the Rupture. Hernia Lotion is \$3 per Bott'e or \$5 for Two Bottles.

MISCELLANEOUS.

TO SHINGLE MANUFACTURERS THE undersigned offers for sale the patent right to manufacture and use in any of the Southern States, the

MILLER SHINGLE MACHINE, which is one of the best machines for sawing

shingles, in use. This machine was patented on the 13th of July, 1858, and has been much improved since; but owing to the war, has not been introduced into the South. It is adapted for Staves as well as shingles, cutting them even, or with any taper

The saw first enters the bolts on the side, and consequently turns out better work than can be done by most other machines. It is simple in its construction, not liable to get out of repair, and is built entirely of iron.

It occupies a space of four feet by six, but can be built of any size, the ones now in use being
