WILMINGTON, 2i, C. FRIDAY, JAN. 21. 1876.

The Debate in the House. exhibited within the past few weeks, the represension by the Republican and it was again exhibited more strik- party of every important position formingly than ever by Mr. Blaine in his crly held by them. The government speech of Monday in the House. The was saved by the sacrifices of its loyal change of tune in one hitherto's comnew convictions which have possession. Democracy has gained certain advantof the party as a man in regard to ages over the Republican party the southern affairs. Unfortunately, this gain was due, not to an increase of change comes too late to be of practi- apathy of Republicans who deemed cal use in shaping legislation, and we their par'y sufficiently strong not to reregret that the ardor and backbone now quire from them that personal attendisplayed by Mr. Blaine and others were not exhibited a year ago when the in its results a lesson that will not soon force bill was under consideration; be forgotten. The last election indicated when the Arkan-as bill pleaded for the awaking of the loyal masses. The Republican votes: when Phil Sherelan Plesidential election will indicate that was asking for the approval of Con- feet to bold and defend the government gress in regard to his consuct in Louis. which belongs to them by right of sers ians; when compromises and quibbles vices rendered when its existence was were in order from Republicans in everything that related to southern afthen. If it had Arkansas would not have been lost to loyalty; Mississippi be on the verge of another murderous outbreak. But better late than never. ! and among others have around Mr. tleman an earnest and el quent protest against the final obsiteration of all story to show that Davis was without doubt, privy to, and, therefore, as conmander in chief, responsible for the cruelties of that terrible Andersonville The theory of the Inter Ocean is simply that Jefferson Davis is a social;

el to overthrow. least important of the points of dissimi- mildly. larity. The vital provision of Mr. Blaine's substitute is that it compels the and that such petitions shall be music be conclusive with every Republican Representative and Senatorin Congress. No general amnesty bill should pass something analogous to it.

The New York Times editorially are gues for the holding of the Republican should be chosen, for we have nothing Stone was, "Goodbye John"-(John D. Cameron. - Ealeigh Sentinel. to fear from a long canvass. As our to add that 'it would be well to hold despeptic Bepublicans just timid enough not later than June.' In 1872 the re- and right demand that they shall not no good reason why it should not no. will disclose to the country the violence, the rubbish which now stands in the ted during the last election. way of any intelligent discussion of the presidential question is swept aside the ing is to be gained by a long delay in deciding who are to be the candidates of the party. We hope, therefore, that the committee will decide in favor of

starving prisoners to venture beyond the "doad tine" by placing fruit on the ground between it and the guard line. the prison rules. There was then one Yankee less left to oppose the establishment of Jeff. Davis, dominion. And now it is proposed that Jeff. Davis shall be pardoned!—Er.

the past twelve years has been Clerk of lanta, Ga., about two weeks ago, on the the House of Representatives, retired charge of having robbed the Express from office with one dolfar and seventy-sig cents to his credit. During his six cents to his credit. During his When arrested he had on his person term over six millions of dollars passed a light on and magin the act of searing through his hands. PROSPECTUS!

ON Saturday, the 8th day of January, 1878, the undersigned will commence the publication of the Pythian Echo.
The Echowill beth- organ of the Knights of Pythias in this State, the United States and the World at large.
While the Pythian Echo will be published the committee will decide in favor of the month of May."

A not very pleasant incident of the war has been revived by the discussion of the amnesty bill in the Heuse. It is cannected with the experience of the Union prisoners confined at Anderson-ville. The facts regarding it are that the rebel guards around the prison camp were accustomed to tempt the starying prisoners to venture beyond.
