## VOLUME VIII.

WILMINGTON, NORTH CAROLINA, FRIDAY, APRIL 27, 1877.

NUMBER 20

WAR CLOUD.

it looks very much as if England. France, Prussia, and in fact nearly all of the European governments will be ments drawn into the war either on one side g the other in the Kussian Turkey war. to erery American should lookout and sake all the money they can out of it. Cour. corn. beef, pork, At., will be George Myers.

gassia has Declared War Against Turkey.

in Wednesday the 24th Russia declared war against Turkey. For many feet of hose for the fire department of of groceries in the city, for retail. Call rears a christian has not been safe in the city furkey and they have appealed for assistance to the christian world, but their appeals have always beer unbeeded. Now the Czar of Russia says they shall be protected, and he demanded of Turkey to make certain guarantees looking to the protection of christians, morning Turkey refused, and now Russia has done the next best thing and declared sur. The whole christian world shou'd hald a fastdwe for prayer for the success die Russian army.

", ducation of the Black s." LIEPUR WILNISOTON POST:

The Hillsborn Recorder to a recent elione, headed as above, makes many mily, humane and well timed remarks concerning the education of the colored people of this State. We notice the editorial because we believe it expresses the news of the party whose principles are advocated by that paper

After adopting the long admitted het that negroes can learn, the editor succeds to throw out some suggestions as to the mode operated to be followed in the future as well as the manner in which the subject has been regarded to

that many noble sous of the south are get back by ten time. bestirring themselves in our behalf, that appropriations are being made for sducational purposes among our people, ret the article in question causes us to which prompt the chitor and those like SHERIFF OF NEW HANOVER .- Gen.

ing the higher walks of education or putting to useful purpose what they may acquire is another question."

Certainly for although the editor unfesses that the negroes will make services of time and labor to acquire be rudiments of learning, and while Wilmington, N. C. beren takes the advanced position. nat they are more earnest than the shites in the pursuit of education, he monot forbear annuling his advanced smertion by doubting whether they the negroes) will know what to do with their eagerly desired, hard carned accuration -- that they have the mental capacity to properly appyly an educa-

who still reason in this strain only betray their ignorance of the present condition of the better class of our people, and of the simple fact that, with an be continued in office. external exception, colored people are like other people; nay, they even misquote the word "education."

Referring to Gov. Vance's message to the Legislature, this paper confesses: position of the laborer. That may be the destiny of the race as a mass."

What a flood of light on the question Princess. of "keeping the negro in his proper place," recently discussed in a southern paper' The great object of the Demooratic party! 'July a slave can comprehead the meaning of the word "laborer," as used by a southern Democrat!

Yet the very toundation stone of hands of those whose policy it is to raise up a powerful enemy in our midst. Is this true? Is it true that our teachers are enemier. Let those answer who better in this country. have been acquainted with some of sterest in our improvement since the

"We have heretofore suffered, in the language of t-overnor Vance, "the ediato the hands of strangers, most of shom are not attached to our institutions, if not positively unfriendly

We may clearly see by this light the primary object of this party. Asset standing almost still for more than tenrears, "looking forward to the time when we should all fall back" into our some to help, I say this party now comes forward and declares them enemies," who are unfriendly to Southern institutions. And why If by "institutions" is meant the divine institutions of slavery, then it is truly moken, if institutions of learning, then

whether by the citizens of our State or friends abroad. Are we not right?
