### About Woman.

A bony little woman, with a big hooknose, sidled up to Justice Otterbourg at the Tombs Police Court yesterday afternoon, and in a squeaking voice and

"You the gentleman as deals out the

"Well, madame," said the kindly Justice, "that depends. What kind of law do you want?"

"I want bang up law, double extract, quicker'n a streak of greased lightnin'," and down went the palm of her right hand on the Judge's desk, not hard, but slowly and deliberately, which said more than if she had come down full weight, nose and all on that same desk. "And who may Bill Whittles be?

juerred the Court. "Well, he mith be anybody, but he jest happens to be this hyer gals husban', 'cording to law," and she pointed very slowly towards her right breast, thinking perhaps her heart lay there. "Ah, then you are Mrs. Bill Whittles.

What's the trouble?" "Domestic." "Any children."

"All living?" "Guess they are, for I know I licked ight young ones this very day, all mine, oo, and I didn't lick none of 'em twice.

"And I suppose Bill licked you?" This was very indiscreet on the part

of the court. "Lick me! Lick me!" squeaked Mrs. Bill. "Don't you never be barried off by no sich notion, squire. Bill Whittles lick me! Yes, when them five big brothers of his'n holds me for him to do i', not before," and Mrs. Bill folded her arms and closed her mouth very tight, and looked at the Justice.

"Well, what can I do for you!" asked the Court, with a mingled expression of abashment and admiration on

Any swearin' to do?"

"Oh my, yes. Mr. Clerk, just please The athdavit made out, Mrs. Whittles returned to the Justice to attest it. She put her hand on the book, and the audible throughout the court room.

### Carrier Pigeons in Germany. A German paper gives some details

of the extraordinary development of

the breeding and training of carrierpigcons in Germany since the late war. During the siege of Paris, as is wellknowe, pigeons afforded the only means of communication between the outside world and the inhabitants of the beleaguered city. In order that similar mer-engers might be available in the hour for I, pigeon-houses were estabiations and hardships some have to lish "after the conclusion of the war. in most of the larger garrison towns of North and South Germany, and now us glimpses of himself, while in the pigeon-flying is rapidly become a favorite pastime and sport throughout memoirs of the hero, he unloubtedly the country. The increased attention speaks mostly of himself and family, thus given to the subject has resulted and this part of the work will be a und in the observation of many peculiarito be of no ordinary character. As a ties in the birds. Carrier-pigeons of good breed, it is noticed, although ther may be started in company and bound pureness of style, elegance of diction, for the same place, fly quite independand force of thought, it has seidem, if ent'y of one another. Each one selecte ever, been surpassed. Its pages are its own course, some taking a higher others a lower flight, and speeds on its way without taking any heed of its was a great thinker, and many of his neighbors. The birds, in fact, seem to ideas are of startling boldness. There know that they are racing, and each will also be found to be much profits. one exerts itself to the utmost to arrive ble reading in the volume, and of a first at the goal. In the neighborhood of every pigeon-house there are always kind not often found in novels, for the certain places, trees, etc., which are author was sincere, and though written usually tavorite resorts of the birds anxious to advertise their places by the rale and duly inscribed monuments. office in the second story of the New have any important bearing on the case perhaps in excitement, it was the ex-Hanover Bank Building, corner Front was that elicited by a question put by citement, of doing good. In noticing the sickness of Senator Morton the New York Twice says: "Much as we have found to condemn in the opinions, the methods, and the affiliations of the Indiana Senator, it would be folly to deny to him the possession of that higher insight into the forces which create public opinion and mould public policy, which is the characteristic of a man fitted to shape the destinies of states."

Encouraged by the success of the rebel element in the Georgia convention, the New Orleans Democrat calls for a convention to overhaul the Louisiana constitution. The objection to the constitution is that it embodies the most offensive features of the Radical policy. The people who are now represented in the government of the State find themselves hampered and opposed by warranted to go through Bill Whittles | an instrument framed by their bitter enemies.

NEW ADVERTISEMENTS.

### STREET CARS.

ON AND AFTER MONDAY NEXT the STREET CARS will commence running at 6 oclock in the morning, and run every 15 minutes, each way from the Market Home until 5.00 o'clock, except Saturday, when they will run until 19,30 o clock,

The Cars will alternate between the Cadietery and Brooklyn.

There will be a Car to the Cometery et cry minutes, also one to Broooklyn every 20

There will be a sign on the real of the Car just over the dash board, designating which place the Car is going-cithet Breoklyn or the Cometery.
