signific Post is \$1 00 per year; ex months 15 cents. R. KENNEDY, Business Manager,

army Thre is a very serious blow to to the Federal Courts." the Turks, as it gives the Russians an open way to the Balkans, and practically drives the Turks from Bulgaria.

the weater by a majority of seven us refused to goothem the appointment Mr. Leaniselt as Collector of New turk, and Prince as Naval Officer .-Discretise Collector Arthur and Naval inflored branell in office. There were no cargo of any were against Collector Inhar or Mr. Cornell

INST SIT.

The President has the large chair at ters to head of the table. On his right site. Mr. Evarts. Opposite Evarts, on the President e 'eft. is Mr. Sherman. Below Yearts sits McCarr, of the War power, who is opposite Thompson, the Naval ther, and Key the Postmaster General, whose the a visits the Attorney General. Berena. Carl Schurz is at the foot of the table, furthest from the President, is cause his Department was the latest in time of its institution.

Springheld, Mass , lately the report of an incendiary .- Robesonian. the Corresponding Secretary, Rev. Dr. Most, of Cincinnati, stated the society has her chartered Universities in the south, three theological schools, one medical school and 12 other educational institutions containing in all 3,170 pupils. The disbursements of the year have been \$70,000, an increase of \$12, may over last year. The present value dels is \$1.,(0.5). Speeches were made Chancellor E. O. Haven, of Syracuse, Rev. J. J. Lansing, of Georgia.

Partizan Malice

The recent attempt to injure and blast the character of Mr. John Nichole, late Programal of the Institution for the Deaf and Dumb and the Blood, because he used provisions when Principal to the amount of \$300 in extending him pitality to persons who visted the Instistion, and for which Mr. Nichols did was pay, was an exhibition of malice unsurpassed by few instances in this day of political persecution. Political opposition, personal enmity, and a deway to defeat the prospect of Mr. Nich in he another position he was seeking. ill combined were doubtless a power a regentive to the authors of the attack, which has rebounded with such force upon their own beaus.

No honest man who has read the mak and manly statement of Mr Nubia will attribute to him improper under. His long, successful, and satselectory administration of the affairs of the institution are all indirect conimiliation of the base calumny atempted to be perpetrated against his CPN ANDY

We will not here discuss the merits of the charges made against Mr. Nichwas the matter has been placed in the week, where Mr. Nichols is willing for a mgs, and where he will be able not only to vindicate himself, but also to dow the motives of those who promoted the meanit, and unmask and expense Murphy! The Heroid says: them in their meanness.

We understand that Mr. Nichols has mgaged learned cousel, and will proably be able to give his accuser quite Which of "incestipation" as he desires. ndanija Eryister.

A Solid South.

most annutaine searcher for the outlook is not promising. In the states where independent acceptate were started, the advocates of them have been bullied into quiesman by the shouts and threats of the Southern At present there is not a mick to be seen anywhere. The whole section stands as one man for out and on Democratic men and principles .mimited silver, for the indefinite postorging in the wilderness. This is a mindry, indeed, but if the rest of the barrel exploded, bursting into a number will be a millstone quality in it for the unbraced Democratic party.—

S. Y. Tribrac.

Concluded that the frizzer was bot enough for frizzing purposes the tin barrel exploded, bursting into a number oil, die, nor anything deleterious, and imparts to the scalp ber of fragments, and largerating her hand and face fearfully. The next time she frizzes her beau-catchers she had better appeal to the sword.

STATE ITEMS.

The Lumberton Fines, J. H. Barnes, editor, is a small but spicy new paper. Gov. Vance recently lectured in Raleigh on the subject of "Demagogue." We reckon he is master of the subject.

The next meeting of the N. C. Conference is to be held in Charlotte in November 1878. The State Convention of the Baptist Church also meets there cise, particularly street car riding. next November.

The Roanoke News rays that the late Mr Congland was the first man of prominence in this state who advocated The subscription price to The Will the right of negroes to testify in courts after their emancipation.

C. I. W. Foster French, in a speech at Lumberton, complimented Judge The Russians have at last captured Cox because he "decided that a Fede the formulable fortress of Pieva, to- ral officeholder had a right under the gether with Osman Pasha and all his law to remove his cause from the state

> In view of the melancholy suicide, which has been the result of his recent attack on Mr. Nichols and Judge Dick, ply to W. P. Canaday. we propose the following epitaph for the fate Hezek-ah Gudger.

With his gome quill this scribbling eif, In a carl of others, damned himself.

Some despicable scamp has reported that they Brogden boarded at Washington in a house kept by two rejored women to save expense. He lives with HOW THE PRESIDENT AND CAB. Mr. John Henry Bonner, at No. 9, H. strict, Capitol Hill, in elegant quar-

association of Quality which now maintains 19 schools for colored children in Virginia and North Carolina | cars. are thinking of establishing a normal school for the education of colored

The store and warehouse of Mr. B. Goodwin, of Lumberton, and the Male Academy in which was tocated the Masonic Lodge, were entirely consumed by fire last Thursday morning. The fire originated in the back part of Mr.

The Cherokee Herald say .: "We are informed that the mail due at Robbinsville on last Tuesday from Chilhowce, Tennessee did not arrive until Wednesday. When it did arrive it was found that the mail bars had been almost cut to pieces. The carrier had stopped over night to enjoy the luxuries of a social party, which accounts to some extent, for the condition of the United States property entrusted to his care. by Rev Dr. Matlock of Delaware, The postmaster at Robbinsville does them. not know whether anything was abstracted from the mail or not.

> THE INCREASE OF LEGAL BUSINESS. The more courts this county has the more litigation of one sort and another there is So far from diminishing crime and removing the causes which lead to lawauits, exactly the opposite has been the affect of every additional court .-Criminal cases stand over from term to term, and the cases pile up upon each other on the civil docket until they are almost without end ... Charlotte Observ.

#'ol Polk, the Commissioner of Ag neulture says. "We want specimens from each county of all varieties of wheat, corn, peas, tye, barley, rice, bucksheat, flax, peanuts, tobacco, cot ton, millet, clover and grass, dried truit, chufas, molasses, wines, woods, minerals, tone, marble-in short, anything and everything that will illustrate the native wealth and capabilities of the country. Contributors are supplied with shipping tags from this office. All charges are paid by the Department. The name of each contributor is placed on the article sent. Glass jars are prorided to contain the various seeds, etc. and are properly and neatly labelled.

They are about to complete the railroad from Marietta, tia., to Murphy in our county of Cherokee. Hurrah for

At the convention of stockholders of the tia. & N. C. R. R. Co., held at Murphy on the 28th ult, the following lirectors were elected: M. Fain, H. H. Davidson, W. J. A. Strange, W. H. Phillips, Wm. Beal, S. W. Davidson. Stephen Whitaker, R. S. Pass, John Baker, F. P. Axley, R. D. McCombs and J. W. Patton. After the adjournment of the Convention, the directors held a meeting at which M. Fain was re-elected President and S. W. Davidon Secretary and Treasurer.

Persons are not usually aware that they hold in their bands while writing an explosive of most dangerous character. A pen holder certainly looks a very harmless weapon, sithough, to be sure, Sir Edward Bulwer Litton, Bart. remarked that it was "mightier than the sword." In the hands of a Cauvmement of resumption, for the re-lection of the army, for subsidies, and dian young lady, however, it proved a sai improvement. There is here and a pen-holder over a lamp, intending to first here a newspaper in the south which first her bean catchers. Just as she clear and heathful preparation, consummer has just been restored, and has created appropriations for inter
a pen-holder over a lamp, intending to faded hair to its natural color. It is a office of Postmaster of Ashaville last clear and heathful preparation, con-

Specinens are sent gratis to get up clubs .-Everybody ought to take "Peterson" for 1878. Address Chas. J. Peterson. 306 Cestnut street, Philadelphia, Pa.

> VALUABLE INVENTION FOR HORSE-MEN. The inventor and proprietor of the celebrated speed accelerators for rotting horses is a dry goods merchant of Brownstown, Indiana, of the name of Wilbur C. Benton. Like Bonder. he conceived the idea that driving would be conducive to his health, and the result was that "holding the ribbons over quick steppers not only ured him, effectually, of the rheumatism, with which he had been offlicted for years, but it led to the discovery of an art or device by means of which the MECHANICS TICKETS. The Will weights of heavy shoes, great incurabrances to the horse, contracting his limbs. The accelerators give him the proper action for speed without injuring him. It is but the work of a moment to attack them to the bit and rein in each a manner as to -teady him, give hou an even, lengthy stride, and prevent him from burting and cutting himters seil for five dollars per pair, and are sent to any address in the United States or Canada, (charges pre paid), on receipt of that amount.

A Beautiful Heiress and a Bengar. A beautiful young heiress in Moscow has married a beggar Si years old. It has a queer look at first, but 1 othing girl-she is only 22-could not enter into possession of her fortune until the was married, and the young men whom her guardians introduced to her were empty headed creatures, to whom she was unwilling to bind herself for life. so she resolved to marry an old beggar and get the money without sacrificing her independence. The old man was one of her pensioners, and readily consented to marry her, and then keep out of her way, retiring on a comfortable allowance. All the bergars in town feasted and made merry on the wedding
