Read the testimony of Physicians and patients who have used Rosadalis; send for our Resadalis Guide to Health Book, or Almanac for this year, which we publish for gratuitous distribution; it will give you much valuable information. Dr. R. W. Carr, of Baltimore, says:

Rosadalis as a very powerful alterative. have seen it used in two cases with happy results—one in case of secondary syphilis in which the patient pronounced himself cured after having taken five bottles of your medicine. The other is a case of scrotula of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover. I have carefully examined the formula by which your Rosadalis is made, and find it an excellent compound of alterative ingredients.

Dr. Sparks, of Nicholasville, Ky., says he has used Rosadalis in cases of Scrofula and Secondary Syphilis with satisfactory results-as a cleaner of the Blood I know no better remedy.

EXTRACT BUCHU.

The component parts are BUCHU, ONG LEAF, CUBEBS, JUNIPER BERRIES.

Mode of Preparation.—Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmaconga por is it a Sympa and made in Pharmacopæa, nor is it a Syrup—and therefore can be used in cases where fever or inflammation exist. In this, you have the knowledge of the ingredients and the mode of preparation. Hoping that you will favor it with a trial, and that upon inspection it will meet with your ap-

probation, With a feeling of confidence, I am, very respectfully, H. T. HELMBOLD, Chemist and Druggist, of 16 Years' Experience.
