A HUNDRED YEARS FROM NOW

The surging sea of human life forever onward

Bearing to the eternal shore each day its ireight of souls:

But though our bark sails bravely, ou, pale Death situat the prow, And few shall know we ever lived, a hundred

While God's great world has ample space for

everything allve? Broad fields uncultured and unclaimed, are waiting for the plow Of progress, that should make them bloom, a hundred years from now.

Why should we toil so earnestly in life's short narrow span,

On golden stairs to climb so high above our brother man ?

Why blindly at an earthly shrine our souls in homage bow ? Our gods will rust, ourselvest be dust, a hun-

dred years from now.

Why prise so much the world's applause? why dread so much its blame? A fleeting echo is its voice of vensure or of

fame; The prise that thrills the heart, the scern that dyes with shame the brow, Will be as long-forgotten dreams, a hundred years from now.

Earth's empires rise and fall, Q, Time, like breakers on thy shore, They rush upon thy rocks of doom, are seenand seem no more; The starry wilderness of worlds that gem night's radiant brow, Will light the skies for other cy(s, a hundred years from now.

O, Thou, before whose sleepless eyes the past and future stand An open page, like babes we cling to thy protecting hand :

I never heard him say so. I do not know who appointed him. I do not think they had any chief before him. I think he was the first. That was my understanding."

James E. Boyd. Esq., testified before the Investigating committee as follows: (June | GREAT LIEERARY, RELIGIOUS WEEKLY 28th, 1871.)

"I was at Raleigh last winter, and Dr. John A. Moore, who was at that time a Democratic member of the House of Repre-septatives of North Carolina for my county, An old agent who knows, says: "I think it the sentatives of North Carolina for my county, and who was also a member of the White Brotherhood, and knew me to be such, in-formed me that there was another ordenic. It was known as the Iovisible Empire, and he said that Hamilton C. Jones, a State Senator from Mecklenburg county, had agreed to furnish him with the necessary authority to establish it in my county. He informed me what the signs were. El. C. Jones claims to be a member of the Invisible Empire. I passed the signs with him in his room at Raleigh at the time I spoke of having the talk with Dr. Moore. I was informed by Dr. Moore that a majority of the Conservative members were members of the Invisible Empire."

I am not permitted to say what appears before the Investigating Committee as to Mr. Strudwick.

We have examined the formula for making the "Home Bitters," and unhesitatingly say the combination is one of rare excellence, all the articles used in its composition are the best of the class to which they belong, being highly Tonic, Stimulant, Stomacnic, Carminitive, and slightly Laxative. The mode of preparing them is strictly in accordance with the rules of pharmacy. FOR FEMALE COMPLAINTS, in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. ⁸ For Inflammatory and Chronic Rheuma» tism and Gout, Dyspepsia or Indigestion,

Bilious, Remittent and Intermittent Fevers, Disenses of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Ridneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Car-"buncles, Ring-Worms, Scald Head, Sore Eyes, Brysipe-las, Itch, Scuris, Discolorations of the Skin, Humors and Diseases of the Skin. of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most inconduce with in such cases will convince the most incredulous of their outative effects.

Cleanse the Vitiated Blood whenever you find its im+ purities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins tecleanse it when it is foul and your feelings will tell you when. Keep the blood pure, and the health of the system will follow. Pin, Tape, and other Worms, furking in the

system of so many thousands, are effectually destroyed

and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermifuges, no authelmintics will free the system from worms like these Bitters.
