Preparations are being made in various parts of the country, for a more gencral celebration of the day than for some years past. In New York city, a committee of five from cach Northern State have completed the arrangements for a splendid celebration. A grand parade of the military, of the Order of United American Mechanics, and other civic bodies with various appropriate ceremonies will characterize the observances of the day. Shall it be allowed to pass by unnoticed in Wilmington? We hope not, and trust that a movement will be made at once; a meeting of our citizens called at the City Hall, an orator selected, and a proper programme made out for a celebration of that day.

HENRY BERRY LOWERY ON THE RAMAAGE AGAIN .- Henry Berry Lowery and his gang went to Lumberton on Friday night, seized a dray at H. W. Fuller's stable, then went to Pope & McLord's store, took their safe, the favor! The time for adjournment had put it on the dray, and some other goods been extended from time to time until the also. They then went to the sheriff's office, people were sick and tired of waiting .-broke that open, took his safe out, put it on the dray and carried it about 150 yards when they dropped it, it being too heavy for them as it is supposed. They were found out this morning, when Deputy Sheriff McMillan summoned a posse of citizeus, and pursuing, overtook them about four miles from Lumberton, recovered the safe and about \$24,000 or \$25,000 in papers and books. They failed to capture any of the outlaws; they all escaped. The loss is \$22,000 in cash, \$1,000 in goods.

Since writing the above we have received authentic information to the effect, that the outrage is not supposed to have been committed by Lowery or any of his men; but they strongly suspect some white men, who had been loitering about the town.
