Hon. John Pool .- In the event that we have a republican legislature, Hon. John Pool will undoubtedly be returned to the U. S. Senate. He deserves well of his party. Gen. Rutherford is a gentleman of unquestionable integrity and ability, industrious and always approachable, and I am certain that the people of this district could not select a representative in the United States Congress, who would serve their interests with more fidelity, or with greater effort for good than he. It is urged by an insignificant few, that by reason of his being of Northern birth and education, his nomination would endanger the success of the party in the district-that for the above reason he could not command the full support of the party if nominated. Let us look at this, and see if there are grounds

Others might be suggested who are equally competent, but I venture to say that there is not another man in the district who can better harmonize and control the Republicans of our district. A Sad Falling Out .- It is indeed a sad falling out when, after years of the closest intimacy, the hair parts company with the head. Fortunately the lamentable sepration may be easily prevented and the twain more closely united than ever by a timely and systematic use of Lyon's KATHAIRON, the most potent invigorant of the hair and promoter of its growth and beauty known to modern pharmacy. It completely FOR THE CAPE FEAR DISTRICT OF NORTH obviates the dry and parched condition of the roots of the hair, which is prellminary to its moisture requiste to its preservation in a healthy state. It is the only true dissolvent and evaporant of dandruff and other impurities of the scalp, whose presence is injurious to the hair.

As a bautifler of the head the Katharion has no equal. It not only increases the quantity of the hair, but improves its qualtity immediately, im parting a lustrous appearance and silky texture which are exceedingly attractive.
