ANNOUNCEMENT.

With this issue the publication of the Semi-Weekly edition of the POST will be discontinued. It will be succeeded in a few days by THE EVENING POST, an afternoon daily, and THE POST, a weekly paper devoted to the welfare of the Cape Fear region and the Republican party. Major J. C. MANN will be the managing editor, A. J. Yopp the COMMERCIAL, and W. P. CANADAY Business Manager. The new material has all arrived, and THE EVENING POST will appear in a new dress and improved form as soon as the printers can get it ready.

Hon. E. M. Rosafy, minister from Smithville, was in our city yesterday.

Collector Rumley advertises for proposals and now is the chance to make money.

Don't forget the Sunday school benefit on Wednesday night. It will repay a visit.

Rosin and Spirits Turpentine of the new crop are daily received from the country.

C. Cartjohn's house, corner Fifth and Bladen streets, burned down Saturday morning at 2 o'clock.

The indications now are that the State of North Carolina will go Republican by 10,000 majority.

Any fire-eating democrat that can vote for Horace Greeley can become a radical republican in thirty days.

Yesterday we had the first rain in two weeks. It is delightful. The trees and flowers just enjoyed it.

The city daily expects $1,200 worth of curb stone and stone for crossings. Our ways will be made pleasant.

Democrats of Wilmington, order white hats for a "White Hat Club," in honor of your Horace. Down East has started the ball.

Subscribers to the POST will remember that we stop all papers that the subscription is not paid before the 15th of May 1872.

The Sisters of Charity are preparing to have a festival and fair at the City Hall on Monday, Tuesday, Wednesday and Thursday night.

Gov. Caldwell speaks at Clinton, Sampson county, on the 23d of May. We hope the citizens will have a big turn out on that occasion.

Market Clerk reports 196 carts in market last week. There were slaughtered for city market 25 beeves, 13 hogs, 116 sheep and 5 calves.

The citizens of Brunswick county are getting up a petition to have a post office established at or near Town Creek to be called Town Creek. We wish them success.

The prospects of a good crop for the coming season are getting very poor. The drouth is burning up everything. Hardly enough rain has fallen to wet the streets.

The City Treasurer was engaged all last week settling up prior to the change in the city administration. In Mr. Servoss the city has a faithful and honest officer. "May his shadow never grow less."

Professor Bond did wonders on the wire suspended across Dock street on Thursday and Friday. If he continues much longer, some day he will get his neck broken, and then he will wish he had not done so.

W. L. Canaday offers that fine building lot on Third Street, near the Jewett House between Mulberry and Walnut streets, for sale. It is one of the most pleasant building lots in the city—66 by 165 is the size.

COMPLIMENTARY. — Aldermen Burney, Sampson, Kellegg and Howe, on the occasion of the final meeting of the Board last night, made speeches highly complimentary of Mr. Servoss, City Treasurer, Mr. Canaday, City Marshal.

Gov. Caldwell will be here on the 23d. We may expect a large crowd of Republicans in the city to hear their standard-bearer. We hope that Col. Dockery and Judge Settle will canvass this district with the Governor.

Phillip Newman, assistant messenger at the City Hall, is *not* the P. Newman who is spoken of in some cards published in the democratic papers last week. Phillip stands square on the platform of Grant and victory.

R. L. Harriss has always a fine stock of reading matter on hand. He will furnish you with any of the fashionable magazines and novels. He will also order books and papers for any who wish him to do so. Give him a call.

The stone crossings and curb for the city is shipped and will soon arrive. Those contemplating building brick or stone walks should have their names registered in the Marshal's office, so as to have it hauled direct from the wharf to the spot where it is to be placed.

The new city administration begins Monday at 12 o'clock, noon, when the new Board of Aldermen will be sworn in, a new Mayor elected and a new start taken. From the known ability of the Republican members of the Board, we look for a good administration in the future. The election of officers will be completed during the week.

James S. Topham & Co., No. 8 South Front street, Wilmington, N. C., are manufacturers of every description of Trunks, Traveling Bags, Saddlery and Harness. A large stock of second hand government team and ambulance harness, saddles, bridles, collars, halters, reins, &c., constantly on hand, at wholesale and retail, at low prices for cash.

"Gov. Doolittle was once a Republican."—*Star.*

When Judge Doolittle was a Republican the people of the North honored him with many places of trust, but when he proved recreant to those trusts he was dropped from the rolls, and now none so poor in our party as to do him reverence. Judge Doolittle found, when too late, that the North only honors its servants when they carry out the principles they are elected to maintain. He is now among the fossil, where he will remain for many a day. It was the one mistake of his life, and we believe he has bitterly regretted it. And Greeley will now go the same way. Like poor Tray, the bad company will ruin him.

The memorial services at the Cemetery, over the graves of the Confederate dead, were performed last Friday. Greater interest than usual was manifested because the new monument was in position and the statute unveiled in the presence of the multitude, although not sympathising with the Confederate cause, we could not but admire the ladies, old and young, who walked that day over our terribly dusty streets, and under a broiling sun to pay their annual tribute at the graves of their soldiers.

It is right—and to our mind, a duty they owe to their dead—a people who would forget those men, who lost their lives in a cause to them dearer than life, would deserve the contempt of all soldiers of every nation on the civilized globe. It is proper that in the grave all differences should cease, and the broad mantle of charity should kindly cover the errors of the fallen. We have no antipathy to a man because he was a Confederate soldier, and hence we were pleased to see some of the old companions in arms, marching silently towards the cemetery to pay their tribute to the memory of their comrades. We thought it would have been in better taste if more of the old troops had turned out We do not look at this at all in a political light, and we be believe that the blood of the Confederate soldiers was shed, as the blood of the Union soldiers was, as a sacrafice for the Nations sins, and to accomplish the present grand results of the war.

The new tax lists will be ready soon. taxes on real estate and personal property are due June 1st, 1872. City tax $2 on the $100 valuation; county and State 80 cents.

If the TWINKLER was infallible we should blush, but the fact is our printers don't read *good* writing, and so they made a bad mistake. Bro. Bernard, "You know how it is yourself." make an honest effort to redeem their own State first, and then we can with more reason turn our attention to national politics. Let us attend to our own affairs first and then help to "save the Union."—*Wilmington Journal.*

Proceedings of the Board of Aldermen—Final Meeting.

The last meeting of the present Board of Aldermen was held last night in the city court room. The Mayor and all the Aldermen were present except Mr. Barry.

The proceedings of the last meeting were read, and on motion of Alderman Sampson, approved.

The Mayor and Alderman Sampson reported that Tenth street was being ditched.

The Mayor reported that the tax on certain machine shops was reduced to ten dollars.

The Mayor stated that the city tax bill was in conflict with the State law in certain particulars, whereupon Alderman Rumley moved that the tax bill be reconsidered, which was agreed to. (Se advertisement.)

Alderman Servoss offered the following resolutions:

Resolved, That the thanks of the Board of Aldermen of the City of Wilmington, are due, and are hereby tendered to His Honor, Silas N. Martin, Mayor of the City, for the efficient manner in which he has conducted the executive department of this city government, and the financial ability he has displayed in managing the [illegible] to the great advantage and to the credit of the same. Adopted unanimously.

In answer to the resolution adopted by the Board, Mayor Martin replied:

To-night is the last meeting of our Board of Aldermen. Most of us have been together two years and four months. With all the difference of opinion which men entertain, I feel, to-night I may say, almost surprised at the unanimity with which measures introduced here have been acted upon. This Board has been almost like one family in its sentiments and purposes. I thank you, from the bottom of my heart, for the kind expressions embodied in your resolutions to-night. A year ago you cheered me on by the flattering expressions of your approbation. Such kind words lightened much the burthens I was called to bear. I can say, to-night that you have done much to improve the city, much to maintain good order. By your action my hands have been strengthened at all times for good. At times I have advocated measures with zeal, sometimes differing from many of you. I have at all times received nothing but courtesy and respect from you. I doubt if any similar body of men, fallible men ever acted with more united purpose. I part with you with regret; such of you as are re-elected, will, I have no doubt, serve your fellow-citizens with the same energy and as acceptably as heretofore May the blessings of Heaven descend upon you all. Adieu

Alderman Thurber offered the following:

Resolved, That the thanks of the Mayor and Aldermen are hereby tendered to the City Marshal, W. P. Canaday, Esq., and the City Clerk and Treasurer, Thos. C. Servoss, Esq., for the very efficient manner in which they have discharged the duties of their respective offices. Unanimously adopted.

REMARKS OF THE MAYOR.

In putting this resolution Mayor Martin said, In offering the resolution for your approval, I cannot forbear here to say that it affords me the greatest pleasure to add my testimony to that of your honorable Board. In Marshal W. P. Canaday I have found a most efficient, energetic and capable officer. Ready at all times to do all his duty, he has been invaluable in the administration of city affairs.

In Mr. Thomas C. Servoss, the Treasurer, I have found a faithful, careful, honest and capable officer. His aid has been such as none but the most reliable and competent man can give to an administration.

With both these officers my relations have been most intimate, and during the two terms I have had the honor to serve in the position of Mayor, I have been ably and uninterruptedly assisted by them. It is with great pleasure that I find the unanimous appreciation of your honorable body for these efficient officers.

Bronchitis.

This is an irritation or inflamation of the bronchial tubes, which carry the air we breathe into the lungs. It arises from a cold settled in the throat, from Catarrh extending to these parts, from scrofulous affections and from severe use of the voice. The irritation from this latter cause commences in the *larynx* and *glottis*, which are the organs of the voice, and extending downwards, produces hoarseness, coughing and spitting mucous matter, sometimes mixed with blood. It is chiefly dangerous from its tendency to spread into the lungs and terminate in consumption. It is in the cure of severe and obstinate cases of this disease that Dr. Pierce's Golden Medical Discovery has achieved unparalleled success, and won the loudest praise from all who have used it. It is sold by all respectable druggists.

The Harvest of the Head.—When the comb acts as a rake, bringing away a roll of parted fibers every time it passes through the hair, baldness would soon be inevitable. But even in this case, forlorn as it may seem, the mischief can be arrested, the loss repaired. Lyon's Kathairon, added by a brisk application of the brush to promote the absorption of the fluid by the scalp, will stop the thinning-out process in forty-eight hours. The roots from which the dead filaments were shed will soon be re-endowed with vitality, and a new growth will speedily spring up on the denuded places. This work of reproduction will go on until the damage is completely repaired, and the luxuriant crop of hair thus produced will never wither or fall out as long as the vitalizing application is regularly continued.
