

THE ELECTIONS.

More Returns.

SOUTH CAROLINA CONCEDED BY THE REPUBLICANS TO BE DEMOCRATIC.

THE VOTE IN THIS STATE.

RALEIGH, Nov. 10.—Additional returns continue to increase the Democratic majority in this State. It may reach 17,000. A painful anxiety in regard to the Presidential election is manifest in this city to-night among those of both parties.

CHATHAM.

PITTSBORO, Nov. 8.—Vance's majority 206, Tilden's 275. Ratification 280, J. J. Davis 330, entire county ticket, 250; highest vote ever given 4,000.

NOTE OF OTHER STATES.

SAVANNAH, Nov. 10.—Advises from Florida say that the State has undoubtedly gone Democratic by 2,000 majority. There has been no disturbance as far as heard from.

CHARLESTON, Nov. 10.—Leading Republicans concede the State to the Democrats by the returns, but say they will throw out enough Democratic counties to reverse the result.

NEW YORK, Nov. 10.—The Western Union Telegraph Company has received the following dispatch:

NEW ORLEANS, Nov. 10.—3:45 P. M.—The reports circulated North of rioting here are untrue. The city and State are perfectly quiet and business is proceeding as usual.

WASHINGTON, Nov. 10.—Senator Kelley telegraphs to-day to his wife in this city denying that he has conceded the State to the Republicans. He says the result in Oregon is doubtful, with the chances in favor of a small Democratic majority.

THE VERY LATEST.

SOUTH CAROLINA CERTAINLY DEMOCRATIC.

CHARLESTON, Nov. 10.—The *News and Courier* has just received official advices from the last of the counties hitherto reported unofficial, making Hampton's majority for Governor 1,434. Tilden's majority may fall 200 or 300 behind Hampton's but it is certainly over 1,000. The Republicans here do not dispute the correctness of these returns but say the State canvassers will throw out several of the counties giving large Democratic majorities and that this will give the State to Hayes and Chamberlain. The Democrats do not seem to heed this threat, but are firing salutes and otherwise celebrating their victory.

FLORIDA DEMOCRATIC.

AUGUSTA, GA., Nov. 10.—A dispatch from Lake City at 11:30 p. m. says corrected returns of twenty-eight counties place the Democratic majority at seven hundred. Hillsboro county, according to information from a reliable source, gives six hundred and fourteen Democratic majority, which gives the State to the Democrats by over fifteen hundred majority.

A later dispatch from Lake City says the State has most certainly gone for Tilden and Hendricks, and says the Radicals will endeavor to change the result by a State canvass of the returns, prominent officials having declared that the State shall go Radical

if it is necessary to count 1,000 majority at every poll in Jefferson county. The dispatch adds: "The outrages contemplated will not be submitted to. The people are aroused and the indignation is difficult to control. The Democratic State Executive Committee are vigilant to prevent fraud. Great excitement prevails."

LOUISIANA ALL RIGHT.

NEW YORK, Nov. 10.—A dispatch from New Orleans received at the Democratic headquarters here says Louisiana has gone for Tilden by 5,000 to 10,000 majority.

NEW ORLEANS, Nov. 10.—Midnight—Official and unofficial reported returns from 51 parishes including Orleans give a Democratic majority of 9,471, a Democratic gain of 6,505. The six parishes to be heard from gave in 1874 2,094 Democratic majority. The Democrats claim the State as absolutely certain by not less than 6,000 after making liberal allowances for contingencies.

GENERAL CITY NEWS.

The Poor.

The poor people in this county are suffering very much. During the first days of the month the Court House is full of poor women, both white and colored, who are there to get provisions from the County Commissioners. It is painful to see the old and infirm people, who have nothing to eat, begging provisions from the authorities. We hope they administer fully to the really needy and deserving.

Severe Injuries.

Yesterday evening, while two small colored boys were playing on a hand-car, near the old Wilmington & Weldon depot, the smaller one fell off in front of the car, which was in motion. The car passed over his legs, breaking one and cutting the other very badly.

It is learned that Zach. Chandler, Chairman of the Republican National Committee, went through the State via Greensboro, yesterday, to Florida. Zach is going to cook up some favorable returns if possible.

A meeting of the Wilmington Marine Temperance Society will be held in the Seamen's Bethel Sunday evening, Nov. 13th, at 8 o'clock. All are welcome.

Divine services will be held in the Seamen's Bethel Sunday morning, Nov. 12th, at 11 o'clock a. m. by Rev. Jos. L. Keen, Chaplain. All are welcome. Seats free.

W. D. Smith, Esq., an old Wilmingtonian, but now a prominent citizen of Fayetteville is on a short visit to his friends here.

NORTH CAROLINA.

The independent movement in Orange was an inglorious failure.

Raleigh News: Three hundred Democratic gain is reported from Nash. Hurray for three B's—Boddie, Braswell and Bunn!

At an impromptu jollification meeting over the result of the elections, held by the Democrats in Raleigh on Thursday night, Col. W. R. Richardson, one of the editors of the *Raleigh Constitution*, addressed the people, acknowledging the defeat of his party in the State and Nation, and expressing confidence that the victors would prove magnanimous in the hour of their triumph. He paid a high compliment to Gen. W. R. Cox, who stood by his side, for his management of the campaign, and impressed upon the Democrats that much of their success was due to his well directed efforts.

THE RADICAL CARD.

Violence—Troops Sent to Florida and Louisiana to Cover Republican Rascalities.

Associated Press Telegram.
AUGUSTA, GA., Nov. 10.—United States troops have been ordered from South Carolina to Florida. Two companies stationed at Aiken will leave this afternoon for Tallahassee.

WASHINGTON, Nov. 10.—Gen. Sherman last night received a telegram from the Secretary of War, who is in Philadelphia, to order Gen. Ruger to send as many companies of troops to Tallahassee as could be spared, and to go himself in person. Gen. Ruger answered that he had ordered nine companies, that he would order five more, and that he would go in person, as ordered.

Gen. Sherman to-day received the following telegrams from the President: **PHILADELPHIA, Nov. 10.**—General W. T. Sherman, Washington: Instruct Gen. Anger, in Louisiana, and Gen. Ruger in Florida, to be vigilant with the forces at their command to preserve peace and good order, and to see that the proper and legal Boards of Canvassers are unmolested in the performance of their duties. Should there be grounds of suspicion of frauds, the count by either side must be stopped and denounced at once, as no man worthy of the office of President should be willing to hold it if counted in or placed there by fraud. Either party can afford to be disappointed in the result; the country cannot afford to have the result tainted by suspicion of illegal returns. (Signed) U. S. GRANT.

PHILADELPHIA, Nov. 10.—Gen. Sherman, Washington: Send all the troops to Gen. Anger he may deem necessary to insure entire quiet and a peaceable count of the ballots actually cast. They may be taken from South Carolina unless there is reason to suspect an outbreak there. The presence of citizens from other States. I understand, is required in Louisiana to see that the Board of Canvassers make a fair count of the vote actually cast. It is to be hoped that the representative and fair men of both parties will go. (Signed) U. S. GRANT.

The Peace Policy.

Associated Press Telegram.
NEW YORK, Nov. 11.—The following dispatch has been sent to Governors Ingersoll, Bedle, Carroll, Messers, Hubbard, Robinson, Curtin, Palmer, McCreery, and others, also Senators Thurman, Bayard, Randolph, McDonald, Kernan and other Senators and to leading public men in Northern States—both Republicans and Democrats. Their acceptance insures a full representation at New Orleans: "Citizens of New Orleans urgently request that a delegation of prominent gentlemen come there at once to counsel peace and a fair and honest return. You are earnestly required to be one of ten or fifteen gentlemen, all widely known, to meet Louisville, at the Gulf House, Saturday evening, proceeding directly South; or if more convenient, meeting at the St. Charles Hotel, New Orleans, Monday morning. Your prompt acceptance by telegraph is requested. This emergency appeals to your patriotism. (Signed) ABRAM S. HEWITT, Chairman."

PHILADELPHIA, Nov. 10.—In accordance with the request of Governor Kellogg, of Louisiana; that prominent men should go from the North to inspect the counting of the votes in that State, the President has invited the following gentlemen to proceed to New Orleans for such purpose: Hon. W. D. Kelley, of Pennsylvania; Gen. J. A. Kasson, of Iowa; John Schenberg, of Pennsylvania; Gen. J. A. Logan, of Illinois. It is understood that most of these gentlemen have accepted and will reach New Orleans in a few days.

RADICAL KU-KLUX.

A Democratic Negro Hung by Radical Negroes in Wake County.

Associated Press Telegram.
RALEIGH, N. C., Nov. 10.—A negro named Rufus Ferrell, who has invariably voted the Democratic ticket, disappeared from his home, in this county, on Monday before the election and on Wednesday was found hanging dead in the neighborhood of his home. The general impression is that he was killed for opinion's sake.

ELECTION SUMMARY.

Oregon 1,202 Republican majority.

Hayes' majority will be about 6,000 in Ohio.

Tilden's majority in Indiana is about 5,460.

Dean, Dem., is elected to Congress in Massachusetts by official count.

The *New York Tribune* and *Herald* of to-day have strong articles demanding that there be an honest count of the vote in Louisiana.

Raleigh News: Henry G. Williams, the brilliant editor of the *Wilson Advance*, and R. W. Singletary, a distinguished member of the Constitutional Convention of 1875, have carried Wilson county by an increased majority.

Even in down-trodden Craven the Democrats have made gains.

Some Comments on the Election.

From the *New York Sun.*

Mr. Tilden will go into the White House with a noble ambition to win lasting fame as the President who harmonized a country distracted by sectional animosities, who made stronger than ever the bonds that hold together the Union, and who helped to swell the tide of his countrymen's prosperity. His aims are statesmanlike, his mind is of the statesmanlike build, and his training well fits him for the high place to which the people have elevated him. Samuel J. Tilden will doubtless go down to history as one of our strongest Presidents.

From the *Charleston News and Courier.*

No tongue can tell the profound emotion with which the news of the election of Hampton was received in Charleston yesterday. The live-long day the balmy air was heavy-laden with hoarse hurrahs. Light was in every honest eye. A smile beautified cheeks on which the sorrows of years had ploughed their furrows. There was a mellow ring in every voice, and friends meeting friends grasped hands with more than common meaning. And what wonder if the Democracy of Charleston, the workers and taxpayers, for once lost their heads!

From the *Norfolk Landmark.*

In the midst of our rejoicings, however, let us take a lesson of wisdom from the errors, abuses and corruptions of our discomfited adversaries.
