FLASHES OVER THE WIRES

HERALD BOSH.

The interest centering in Louisiana and Florida—Latter Claimed by Democrats by 1,200 Majority—Close in South Carolina—Disturbed Democrats and Republicans going to New Orleans.

Associated Press Telegram.

New York, Nov. 11.—The following gentlemen have telegraphed their intention to start immediately for New Orleans in response to a call of the National Democratic Committee: Hon. Lyman Trumbull, of Illinois, Ex-U. S. Senator; Hon. J. M. Palmer, of Illinois, Ex-Governor; A. G. Curtin, of Pennsylvania, Ex-Governor; Ex-Senator Hamilton, of Maryland; Hon. J. R. Doolittle, of Wisconsin, Ex-Senator; Ex-Lieutenant Governor Colbough, of Illinois; Judge J. B. Stallo, of Ohio; Hon. Oswald Ottendorfer, of New York; Hon. Henry Watterson, of Kentucky; Hon. Theo. L. Randolph, of New Jersey; Hon. G. B. Smith, of Wisconsin; Governor Carroll, of Maryland; Ex-Governor Bigelow, of Pennsylvania; Hon. G. V. Fox, Ex-Assistant Secretary of the Navy; Hon. Sam'l J. Randall, of Pennsylvania; Professor of Summer Yale College; Hon. H. D. McHenry, of Kentucky.

WASHINGTON, Nov. 11.—Gov. Randolph passed to-day en route for New Orleans. The Herald says of Grant's order: "He uses words which are most honorable to him and which accurately express the thoughts of all patriotic men. Gen. Grant has done many wise acts but this is the wisest act of his life. It will do much to reassure the public of both sides, and the nation will thank him for his timely and patriotic words."

WASHINGTON, Nov. 11.—President returned to Washington this afternoon. He has requested the following prominent gentlemen to proceed to New Orleans to inspect the counting of the votes in Louisiana: Hon. W. M. Everts, Judge E. W. Haughton, Gen. J. A. Dix and Gen. J. H. Van Allen, of New York; Senator Sherman and Stanley Matthews of Ohio; Hon. Courtland Parker of New Jersey; Senator Edmunds of Vermont; Gen. Ben. Harrison of Indiana; Senator Logan of Illinois; Hon. Wm. D. Kelly and Hon. John Schoonberg of Pennsylvania and Hon. Jno. A. Kasson of Iowa. These and a few others have been invited. Nearly all of them have been heard from and have accepted.

Associated Press Telegram.

JACKSONVILLE, Nov. 11.—Distant counties in this State are still to be officially heard from in regard to election results. Up to this time they can only be estimated as there no facilities for telegraphic communication with them.

JACKSONVILLE, Nov. 11.—The Chairman of the Democratic State Executive Committee at Monticello, Fla., says the most careful estimates on the figures of 1874 in counties not heard from and the returns actually in show a Democratic majority surely. The counties not heard from are all Democratic and will give large gains. The majority cannot fall short of 1,200.

Associated Press Telegram.

CHARLESTON, Nov. 11.—By latest corrected official returns Hampton's majority is 1,484. The full returns indicate that Tilden has fallen much more behind Hampton's vote than has been supposed. In 10 out of 32 counties Tilden's majority is 453 less than Hampton's. An equal ratio of loss in the remaining 22 counties would leave Tilden less than 100 majority in the State.

Associated Press Telegram.

NEW YORK, Nov. 11.—A dispatch was received at Democratic headquarters to-day from Lake City, Florida, stating that eighteen counties gave a Democratic majority of 5,513, and that nine counties gave a Republican majority to be heard from gave a Democratic majority in 1874 of 4,906.

Russia, England and Turkey.

Associated Press Telegram.

LONDON, Nov. 11.—The Post publishes an official announcement of Russia's formal acceptance of the English proposal for a conference at Constantinople on the basis of integrity and independence of Turkey. The proposal, as accepted by Russia, includes the condition that the Powers jointly and severally renounce all intention of aggrandizement.

What It Has Done for Us.

We have material cause to congratulate our people of the South on the election of the Democratic candidates, as evidenced by the fact that the assurance of a change in the officials and the incoming of honest men has already caused an advance in our products. Take the single item of cotton, which in a few days past has advanced 1 1/2 cents per pound. This, supposing that the bulk of the crop has already come forward, still leaves an increase of say \$3,000,000, which will find its way into the hands of our people. It is not only in cotton that there is an advance, but also in naval stores. Rosin has gone up 10 cents per barrel, and this makes the stock in this city alone worth some \$8,000 more than it was a few days since. In fact we honestly believe that it is impossible to put in figures any approximation to the amount in dollars and cents that will accrue to the benefit of our section. All hail to the day of our deliverance, say we!

Columbus, Robeson and Bladen.

These counties did their duty in the recent election faithfully. The majority in Columbus is gratifyingly large, and Robeson increases her majority. Well done!
