### Ordination of a Pastor.

On last Sunday, in St. John's Church, Bishop Atkinson, of the P. E. Diocese of North Carolina, admitted to the priesthood of the Church the Reverend James Augustus Weston, deacon and minister in charge of the Church of the Holy Trinity, Hertford, N. C. The sermon was preached by the Bishop. Text: 1. Corinthians, iv. 2. "Moreover, it is required in stewards, that a man be found faithful." After the sermon the candidate was presented to the Bishop by the Reverend J. W. Larmour, rector of St. Stephen's Church, Goldsboro, who, together with the Rev. Mr. Patterson, laid their hands with the Bishop upon the head of him who was then ordained to the office of a priest. The Bishop then celebrated the Holy Eucharist, assisted by the Rev. Mr. Larmour.

### At night, after evening prayers were read by the Reverend Messrs. Patterson and Larmour, the newly ordained priest preached a very useful sermon.

### The largest cargo of lumber taken from this port was on the 28th of September the present year by the Schr. Joseph Southern, Capt. Watts, from the mills of Messrs. J. H. Chadbourne & Co. We have to report that the same vessel was cleared on yesterday by those gentlemen with a cargo of 339,006 feet, an increase of 8,802 feet.

### Our harbor is full of vessels and the wharves look busy. There were on yesterday in port two steamers loading, fifteen barques, seven loading, four brigs, three loading, fifteen schooners, nine loading, and nine harbor boats, tugs, &c.—a total of forty-five vessels, and two barques, three tugs and one steamer below.

### A gentleman who left New Orleans on Friday last states that the election on the 7th passed very quietly. There was but one affray, wherein two brothers were the combatants, and which resulted in the death of one of them. He says that the people are calm, but determined to have a fair count.

### Careful Commercial Reports.

The commercial reports and shipping news in the CAPE FEAR are prepared by a gentleman of large experience, who devotes much of his time to the work, and this feature of the paper will be found especially serviceable to business men.

### The Ladies of the Second Presbyterian Church will hold a prayer-meeting at the residence of the Pastor this afternoon at 4 o'clock.

## ASSOCIATED PRESS TELEGRAMS.

### ABOUT THE ELECTION.

#### Radical Frauds in Florida and South Carolina—Distinguished Gentlemen at New Orleans.

SAVANNAH, Nov. 13.—Just received, the following special from Gainesville, Florida: "The ballot-box at Archer, in this county, was stuffed with 250 fraudulent votes and counted in by the canvassers."  
CHARLESTON, Nov. 13.—The Democrats to-day filed a protest against the late election in Charleston county. They allege that the whole county was controlled by intimidation and terrorism, and that no opportunity to vote was given to the qualified voters; also, that large numbers who desired to do so were prevented from voting the Democratic ticket; also, that the legal number of polls was not opened.

NEW ORLEANS, Nov. 13.—The following prominent gentlemen are at the St. Charles Hotel: Judge Doolittle, Senators Lyman, Trumbull, Perry and H. Smith; of Chicago: G. B. Smith, of Illinois; Gov. John H. Palmer, of Illinois; John W. Stevenson, of Kentucky; George W. Julian, of Maryland; J. R. Stallo, Stanley Matthews, Ed. F. Noyes, Job Stevenson, of Cincinnati; Gen. McDonald, E. B. McDonald; John O. Love, M. Munson, of Indianapolis; Wm. F. Hamilton, of Maryland; L. F. Bogy, of St. Louis; Wm. H. Morrison, of Illinois; M. B. Martin, Charles Gibson, of St. Louis; George B. Smith, of Wisconsin; J. C. Broadhead, of St. Louis; C. R. Farwell, Abney Taylor, of Illinois; and C. Irving Ditty, of Maryland.

COLUMBIA, Nov. 13.—The Board of Canvassers heard the argument to-day regarding their duties and powers. The argument will be continued to-morrow.

### CONDENSED TELEGRAMS.

In India 40,000 lives were lost by the cyclone. Calcutta itself barely escaped devastation.

As the question may go before the Senate, Gen. Logan refuses to go to New Orleans.

A Greek barque was run down in the English Channel and eight lives were lost.

The tone of the Russian press is warlike. The outlook is certainly not peaceful just now.

The President has requested Justice Cartter of the Supreme Court of the District of Columbia to go to South Carolina and see the vote counted.

Numerous shipping casualties are reported on the English coast.

Gen. Sheridan goes to take command at New Orleans at the express wish of the President.

Grant has pardoned his pet, W. O. Avery, and it is expected he will pardon McKee.

One of the Presidential electors in Vermont is a postmaster, and is therefore ineligible.

### CIRCULAR FOR SHERIFFS.

Gen. W. R. Cox has the following circular in press for distribution throughout the State for the information of all the Sheriffs:

ROOMS STATE DEM. EX. COM.,  
RALEIGH, Nov. 11, 1876.

To the Sheriffs of the several counties of North Carolina:

There is an omission in the act amending the election law in Battle's Revisal, chapter 237, acts of 1874 and 1875. Chapter 52 of Battle's Revisal is properly amended, and the time for the sheriffs in the several senatorial districts to assemble is definitely stated by chapter 22 is not allotted to; and therefore the time for the sheriffs in the congressional districts to meet and compare the vote is left unaltered. Upon comparing chapter 237, acts of 1874 and 1875, with chapter 52 of Battle's Revisal; it will be seen that the same ratio of time between the election and the meeting of the commissioners, sheriffs, &c., is kept up as near as may be. Chapter 22 of Battle's Revisal provides that the sheriffs of the different districts shall meet at the several places therein designated on the third Thursday in August, &c. Just two weeks after the election. Following out the analogy the time for the sheriffs of the different Congressional districts to meet is Tuesday, Nov. 21st, 1876, and the places are as set out in Battle's Revisal, chapter 22. This view has been submitted to Gov. Brogden, who is the member elect from the Second district, and though he can give no official sanction, it meets his concurrence.

W. R. Cox, Chairman.

By advertisement it will be seen that the stockholders of the Wilmington & Coast Turnpike Company will hold a meeting at the Purcell House, on Wednesday next, at noon.

Cloudy, rainy weather predicted for to-day.

Last evening a small colored lad fell overboard at Market dock and was drawn out a somewhat wetter and much wiser boy.

### New Advertisements.

S. R. Etheridge—Fresh veal, stall-fed beef.  
See notice Wil. & Coast Turnpike Co.

The regular monthly meeting of the Whiting Rifles will be held to-night.
