ON CAPITAL CASE

One Armed Negro Being Tried For His Life in the Superior Court—The Nameless Crime the Charge—Radcliffe Murder Case Trial Will Be Delayed.

Superior Court is now engaged in trial of the case of felonious assault against Paul James, a one armed negro of Greenville Sound, the victim being a young colored woman by the name of Sophie Austin. Trial of the case was commenced this morning upon the re-convening of court, but it took until the session of court this afternoon to get the jury. The special venire and the regular panel of jurors summoned for today were exhausted by 11:30 o'clock and then only eight jurors had been obtained. Another venire of twenty-five was drawn and made returnable at once and from this number three more jurors were selected. Then another venire had to be drawn and from this one the twelfth juror was gotten.

Taking of testimony was then commenced and is now in progress. The trial will last well into tomorrow, which will delay the trial of Chas. Radcliffe, charged with murder and for whose trial a special venire of fifty is returnable tomorrow morning at 9:30 o'clock. The alleged crime against the negro James occurred on the sound, but the defense will try and impeach the testimony of the prosecuting witness, Sophie Austin, by showing improbability and also a bad character.

The jury in the case is composed as follows:
J. B. Linder, R. S. Wells, Cuthbert Martin, J. B. Taylor, J. F. Mann, T. N. Thomas, F. W. Westerman, F. W. Moore, J. L. Hagstrum, J. T. Smith, E. Norfleet and Geo. Bishop.

The last juror was obtained at 3:00 o'clock this afternoon and presentation of the testimony on behalf of the State commenced soon afterwards.

Mr. Meares Harriss, expert court stenographer, is "taking down" the trial, which is greatly expediting matters. While waiting for the summoning of one of the special venires a case of larceny against Ed Flowers was tried. The jury returned a verdict of not guilty.

Yesterday Afternoon's Record.
The most interesting matters considered by the court yesterday afternoon was the trial of young Ed Brewer, charged with assault with a deadly weapon, and the trial resulting in a verdict of not guilty, and the adjustment of the matter of E. B. Vann, the young traveling salesman, who had been charged with false pretense, but who submitted to a charge of forcible trespass. Vann was allowed to restore the money to his employer, pay the cost of the case and go to his home.

Other cases disposed of yesterday afternoon were as follows:
Rufus Howe, gambling, fined \$5 and costs; Geo. Pigford, larceny, not pressed with leave; John Revels, Norwood Everett and Walter Everett, gambling judgment suspended upon payment of the costs; Jacob Bornemann, sci fa, judgment absolute; and Annie Campbell, larceny, verdict not guilty.

Continuances were made in the cases of Wash Brown and Lloyd Williams, larceny; and C. O. Knox, receiving stolen goods knowing same to have been stolen.

Storm Warning.
The following storm warning was received today:
Washington, D. C., Sept. 30.—Hurricane central near Great Bahama Bank, moving west northwest. Dangerous for vessels over western Bahamas and off Florida coasts next two or three days.

GARRIOTT.
Washington, D. C., Sept. 30.—Hurricane warning at 2 p. m. for Cedar Key, Rockwell, Tampa and Jacksonville. Hurricane warning displayed at all Florida Peninsula ports.

ARRIVAL OF NEXT GOVERNOR

Hon. W. W. Kitchin Reached City Today

From Lumberton, and He Was Extended a Most Enthusiastic and Cordial Welcome by a Committee of Prominent Citizens—Mr. Kitchin Will Address the Democratic Voters of City and County Tonight at 8 O'clock at the Corner of Third and Market Streets.

Hon. William W. Kitchin, the Democratic candidate for Governor, which statement is merely a preliminary equivalent to his being called the next Governor of North Carolina, arrived in the city shortly after noon today, and he will address the Democratic voters of Wilmington and New Hanover county this evening. Mr. Kitchin will speak from a stand at the corner of Third and Market streets, and his address will be commenced promptly at 8 o'clock. It therefore behooves every loyal Democrat in the city who is interested in the present political campaign, and who wishes to hear an address by one of the State's most brilliant and accomplished orators, to be present at the rally tonight promptly at the hour announced, as indications point to one of the largest crowds which has ever assembled on a similar occasion in Wilmington.

Mr. Kitchin arrived today a few minutes before 1 o'clock on the Seaboard Air Line train from Lumberton, where he delivered an address last night before an immense assemblage. He was met at the station by a number of prominent Wilmingtonians holding various responsible official positions. Among those who were gathered at the union depot to extend a cordial and hearty greeting to Mr. Kitchin were Mayor William E. Springer, Mr. John J. Furlong, Chairman of the Democratic County Executive Committee, Cameron F. MacRae, Esq., president of the New Hanover Bryan-Kitchin Club, Herbert McClammy, Esq., a prominent member of the local bar who will introduce the distinguished speaker this evening, Mr. J. Allen Taylor, president of the Wilmington Chamber of Commerce, Mr. H. C. McQueen, chairman of the Board of Audit and Finance, Mr. D. McEachern, chairman of the Board of County Commissioners, and a number of others who extended to Mr. Kitchin on behalf of the citizens of Wilmington, a most enthusiastic welcome. After being introduced to the gentlemen forming the reception committee, Mr. Kitchin was driven to The Orton in an automobile, where a number of other Wilmingtonians had gathered to greet the distinguished visitor.

This afternoon Mr. Kitchin was taken for a drive through the city and suburban districts by a number of gentlemen. Between the hours of 5 and 7 o'clock this afternoon a public reception will be accorded Mr. Kitchin at The Orton, where he is stopping, and all citizens are extended a most cordial invitation to call and meet the next governor of North Carolina. Mr. Kitchin expressed himself as being deeply appreciative of the hearty welcome accorded him today and it is needless to remark that Wilmington is more than delighted to have within her borders this distinguished citizen of the Old North State.

As stated above, the rally tonight will commence promptly at 8 o'clock and it is expected that thousands will gather to hear Mr. Kitchin speak. The rally will be in charge of Chairman Furlong, of the County Democratic Executive Committee, and Cameron F. MacRae, Esq., president of the Bryan-Kitchin Club.

Herbert McClammy, Esq., a warm personal friend of Mr. Kitchin, and one of the first and most loyal supporters Mr. Kitchin had in this county when he announced his candidacy, will introduce the speaker, and the mere announcement that he is to make the assemblage acquainted with the statement that the introduction will be a fitting preliminary to the address which will follow.

A number of men were engaged today in covering with flags and gaily colored bunting, the stand from which Mr. Kitchin will speak. Electric

FOUR HOUSES BURNED

Quite a Large Fire Occurred This Morning on Wright Street, as a Result of Which Four Houses Were Destroyed—One of the Houses Burned Was the Structure Owned by Owen Smith, Colored, in Which Furman Lee, a Young White Man, is Alleged to Have Killed a Negro.

One of the largest fires in several months occurred this morning shortly after 2 o'clock on Wright, between Second and Third streets, as a result of which four houses, three of these being two-story structures, and the remaining one a large two-story assembly hall, used recently as a church, were totally destroyed. The loss as a result of the fire is in excess of one thousand dollars, and would have exceeded this figure but for the good work of the fire department. In addition to the houses destroyed, five other small houses in the vicinity were slightly damaged, entailing a total loss upon these of about one hundred dollars.

The fire started in the house at No. 211 Wright street, owned and occupied by Jennie Washington, and in a few moments had spread to the adjoining houses, Nos. 213, 215 and 217 Wright street, all these being destroyed. The house, No. 217, was owned and occupied by Lizzie Howard, colored. The two remaining houses were the property of the estate of Owen Smith, a prosperous negro, who committed suicide some months ago.

The two-story house, which was burned is the place where Furman Lee, the young white man now in jail charged with murder in the second degree, is alleged to have shot and killed a young negro boy early in this year. This crime is said to have been the cause which led Smith to commit suicide, and his ending of his life by drowning, a short while after the shooting, created considerable comment at the time in connection with the fatal affair. The large building was used previous to the crime as a dance hall, operated by Smith, but recently it has been used as a church.

The fire alarm system has been disarranged for several days, and the alarm when sent in, registered only at the Sixth anti-Castle street engine house. The other houses were notified of the fire by telephone, and the delay which necessarily resulted, caused the fire to gain such headway before the arrival of the department that the firemen were able to confine the blaze to the four houses destroyed only by the most strenuous effort. The fire alarm system is now being worked on, and it will be in good shape within a day or two.

MR. NEILL McINTOSH DEAD.

Well Known Citizen and Brave Confederate Soldier Passes Away.

After a brief illness Mr. Neill McIntosh, a well known and highly esteemed citizen, entered into rest this morning. He was taken sick Sunday and died this morning at 4 o'clock at the Fulton House, on Front street, between Princess and Market, which hostelry he had successfully conducted for years. Mr. McIntosh was in the sixty-seventh year of his age and while a native of Moore county, North Carolina, had resided in Wilmington for the past many years. He was twice married, his first wife being Miss Dunlap, of Moore county, and two children, Mr. D. M. McIntosh and Miss McIntosh, of Wilmington, blessed this union. His second wife was Miss Green, of Bladen county, and she and two children, Mrs. Stella Brice, of Hamlet, and Miss Lucy McIntosh, of this city, also survive him.

The deceased was a brave Confederate soldier, having served faithfully and valiantly with the 46th North Carolina. After the war he moved to Wilmington and engaged in business and for a number of years had been proprietor of the Fulton House.

The remains were taken to Carthage this morning and the funeral will take place there tomorrow, the interment being made in the family burying ground in Moore county.

Lights have also been placed around the stand, and those, combined with an arc suspended overhead, will furnish an abundance of light for the rally.

Seats have been provided on the platform for about fifty persons, and among these will be the city and county officials, and the delegates from this county to the Charlotte Convention, where Mr. Kitchin received the nomination for governor.

Go to Rehder's tomorrow.
