## PUBLISHER'S ANNOUNCEMENT.

month, April 1st, The Dispatch will make a slight increase in its subscription price, making an advance to 35 cents per monta, delivered anywhere in the city by carrier, or sent anywhere in the country by mail. The Dispatch feels perfect'y justified in making this increase, which is very slight, however, for the reason that the present price but little more than pays for the actual cost of the bare paper and collections. The present price is the same as applied 16 years ago Spinster Appeals to Uncle Sam to Find when The Dispatch was but a six column, four page paper, with a small inexpensive staff, and with no telegraphic news at all. This same price has been maintained all these years, even though extra expense has been added ed the following appeal from her: time and time again, in every department, and a vast amount of new machinery has been installed, and in the master that the upper plates of my meantime The Dispatch grew to a six teeth have been lost in the mails. column, six page paper, and then to They were mailed at Camden on Janits present size with greater facilities uary 1st. ## A TROUSERS-SKIRT STORY.

The Bifurcated Garment Woke-Up Old

Sleepy Philadelphia. Philadelphia, Manrch 18.-Nobody knows who saw them first, but in less than two minutes after they made simply by confining himself to the their appearance in Fairmont Park, subject of the agreement cannot now yesterday there was a crowd about be stated. From formal statements them that seemed to spring from no. of Democratic leaders, the President where, and each one gazed and talked has every reason to believe revision of the "trousers skirts" the young of two or three schedules of the women were wearing.

They did not seem to mind the scrutiny a bit, and walked about apparently as unconcerned as though they days ago, said the Democrats in House were sipping tea in their own homes instead of startling peaceful citizens and citizenesses by setting the fashion for a new fad in wearing apparel for women. From remarks made by the women in the crowd who saw the one of the young women, it is likely session, but the chances are that it the sex in general is waiting, like the "trousers skirt" as it was called by

man from Missouri, who wanted to next fall. Among the crowd who saw the young women today was a reporter CAMORRISTS' TRIAL GOES who summoned up all his courage and ventured to approach them with the question as to how they felt in the new garb. One of them became quite conversational, and told the reporter

all about it. "How do I feel wearing trousers Enormous, Awful Work of the Bubonic worn skirts for-um-well, for quite was occupied by cross examination of Plague In India-All Efforts to a few years, it did seem odd. A very Nicola Morra. An adjournment was

> just as wide as my hobble. "Before I had gone two blocks from home some youngsters shouted:

'Oh, look at her pants!' "I screamed, and then for a moment I was frightened, but it dawned upon me that it was only my trousers-

"No. I can't say that I was terribly conscious of it-except when I attracted undue attention.

"It's perfectly dandy to have the been obliged to glide around like a hobble skirt.

"Of course, it is necessary to folyou suppose a woman's going to have occupy her mind besides bridge and next sixty days. massage if she hasn't a family to look

"Seriously, though, I do really think

tention, and one woman accosted me to the department accepting the silver and asked if I was wearing this skirt service presented by the people of for advertising purposes.

jupeculotte in Philadelphia inquired: change the figures on the gift. "You don't mean that that photographer has taken our pictures! I thought he was taking views of the park. Why, how perfectly awful. Oh, Cleveland, widow of former President but you won't publish them! Now, will Cleveland, sailed today for Europe to you? Why, my friend's father would TUN THE INUUSENS-SMITT be furious. He's terribly precise." But when assured that their courage would help women in breaking away from petticoated tradition, the young women seemed relieved. They even consented to demonstrate how
