BUNTS

History repeats itself. May 28th last season the Cubs and the Cardinals had a 17-inning game-the Cubs winning 8-7. Yesterday, a year later, the Cubs won from the Cards a 16inning game 4-3. Robinson and Perritt twirled for St. L. and Cheney and Bible, and said: Pierce for Chi.

Its a poor worm that does not do a flop occasionally. After having been beaten steen times and ways by the Pirates, Dooin's bouquet came back at them yesterday and gave them as neat a 2-0 shut-out as you ever saw.

Making a Big Effort to Administer First Defeat to Y. M. C. A. Team

Brigade and Giants, 3 p .m.; Y. M. C. A. and W. L. I., 5 p. m., Sunset.

The Y. M. C. A. team tomorrow will be dragged down from its high perch at the top of the percentage column and its vermilion winning streak ground into a million atoms in Sunset Park dust tomorrow afternoon-this is, if the W. L. I. has its way about it. They say the Soldiers had a meet-

ing about it the other night-had a chairman, and all that, and formally ist, 'The angel of the Lord encampeth passed a resolution-or it might have round about them that fear him and been cigarettes — deciding positively delivereth them.' This is also revealthat the Y. M. C. A. must be beat They are said to be inviting their friends, including the ladies, to be present tomorrow afternoon to help them win. It bids fair to be "some game." The Associationers are holding their place with a percentage of 1,000, and the W. L. I. is in second place.

The first game is that between the 35 Giants, with Bert Kite as backstop. 18 and the Brigaders. The Giants have 76 been having poor luck so far, but but: Mon dieu, ze Mexican mind! are said to be determined to win from 75 the Brigaders tomorrow.

Green and Bruni will likely twirl for the Y. M. C. A. and Laughtridge for the W. L. I.

ANGELS, GOOD AND BAD.

Ise Belief Expressed by Evangelist

Haynes Last Night. Declaring his strong belief in the .267 agency of angels, both good and bad, Evangelist Haynes interested a goodsized congregation last night at the gospel tent in which he is holding nightly meetings at Eleventh and Market streets. He said that the belief that angels were the disembodied spirits of dead people was in opposition to the teaching of the Bible as the Scripture taught that angels were a higher order of beings. He read a large number of passages from the

> "Angels are not the spirits of men and women who once lived on the earth. Angels were in existence before the creation of man, for we read in Job xxxviii-7 that when God laid the foundations of the earth, 'the morning stars sang together and all the sons of God shouted for joy.' And then before a human being had died angels were sent to guard the tree of

"Angels are a higher order of be-"To the children of God angels are

sent on missions of mercy. They came The Tigers came back at the Wash- with promises of blessings to Abra-

ham; with help and rescue for Lotfrom the fiery doom of Sodom and Gomorrah; with food for Elijah when he was about to perish from weariness and hunger in the desert; with safety for Daniel in the den of lions; with release from prison for Peter when in Herod's dungeon; and they ministered to the prisoners at Philippi; to Paul and his companions when in tempest on the sea; to send Peter with a message of salvation to Cornelius, whose mind they had previously opened to receive the gospel-thus in

all ages holy angels have ministered

to God's people. "Every Christian has a guardian angel to shield him from the power of Satan. Satan recognizes this, for said to God, 'Doth Job fear God for naught? Hast thou not made a hedge about him, and about his house, and about all that he hath?' This hedge with which God protects his people is described in the words of the Psalmed in the words of Jesus when he said 'Take heed that ye despise not one of these little ones; for I say unto you that in heaven their angels do always behold the face of my father.' That is, the guardian angels of God's children always have access into his presence. Tonight at the tent Mr. Haynes will

preach a sermon on the subject, "Is Being a Christian Worth While?" The Mexican mine may be valuable,

ANOTHER DOCTOR'S EXPERI-ENCE WITH EX-ZEMA-FO

Dr. B. F. Hawley, 3646 Chestnut St., Philadelphia, writes: "Some months ago my attention was called to EX-ZEMA-FO, claimed to be a specific for eczema. The remedy was highly lauded by an eminent jurist, who obtained complete relief from its use. I am somewhat loath to employ or recommend secret or proprietary medicines or lotions not knowing their compound: but on investigating I was convinced of its harmlessness and employed it in some dozen or more cases with perfect satisfaction. A strange thing occurred during my observations, viz.: A member of my own family was suddenly afflicted with general eczema. I used EX-ZEMA-FO freely with the satisfaction of procuring both prompt and lasting relief. My sense of medical ethics would prevent me in tendering you this testimonial, but my feeling of gratefulness in having obtained both the product and necessary information from you, may perhaps justify my sending you this communication. You are entitled to this." So confident are we that EX-ZEMA-FO will relieve any case of eczema or other skin trouble that we agree to refund

the purchase price if results are not satisfactory. 50 cents and \$1.00.
