## FAGE FOUR

## THE EVENING DISPATCH, JANUARY 29. 1915.

Getting up early in the morning and synonymous

Huerta?

Mexico.

is today.

for the slip?

nothing else.

The haberdashers no doubt desire some one to choke-off. Doc. Wiley's protest against wearing collars.

Iceland has such fine possibilities for the sale of hot Tom-and-Jerry, too.

The Turks are now raising almost as much din as they usually do along the midways of the American carnivals.

the air.

The Republicans think the Democrats should adhere to that one-term plank. Evidently "skeered" for Wilson to run again.

machine. Yet they allow Murphy to run at large.

It is reported that a man was sick Still the supply lasted tolerably fair way. time at that.

Boston is facing a famine in beans more complacently than it did the likely loss of the world's baseball championship.

If some people spent half the time boosting themselves that they spend boasting of their family trees they would be more prosperous.

If Congressman Pou decides upon Gatling for postmaster of Raleigh it will probably be because he deems him a big gun in that locality.

At any moment we expect some paragrapher to remark that the reastanding.

After Obregon and the others have cleared the track and all safety appliances have been set, why Carranza can be counted on to come strutting forth from his cyclone pit.

It is said that when told Jerome had even criticized in his own country for City Baseball League and there are been bounced from the case Harry
