This is the day of a leading part in the world drama our test whether we mean or have, whether we wish it or not. We shall ever meant to play that part for our lend, not borrow; act for ourselves, own benefit wholly or also for theirs, not imitate or follow; organize and Upon the outcome of that test (its out- initiate, not peep about merely to see

We have already formulated and agreed upon a policy of law which will explicitly remove the ban now supposed to rest upon co-operation among our exporters in seeking and securing was plain, and it ture, tasks both economic and political their proper place in the markets of we should live up and very intimately inwrought with the world. The field will be free, the instrumentalities at hand. It will only remain for the masters of enterprise among us to act in energetic concert and for the government of the United States to insist upon the maintenance throughout the world of those conditions of fairness and of even handed justice in the commercial dealings of the nations with one another upon which, after all, in the last analysis the peace and ordered life of the world must ultimately depend.

Ban Unfair Competition.

At home also we must see to it that the men who plan and develop and direct our business enterprises shall enjoy definite and settled conditions of freest progress. We have set the just and necessary limits. We have put all ban and penalty of the law. We have barred monopoly. These fatal and ugly things being excluded, we must now quicken action and facilitate enterprise by every just means within our choice. There will be peace in the business world and, with peace, revived confi-
