Miss Mary Lilly Fisher, of High Point, who has been visiting here, has returned home.

Miss Kirk Callum left Monday for Columbia, S. C., where she became a member of the faculty of the graded school of that city.

Mr. and Mrs. G. M. McWorter have gone to Reidsville, where they will spend the winter.

LUMBERTON.

Lumberton, Sept. 23.—Miss Hilda Weinstein has left for Elizabeth College, Salem, Va., where she will resume her musical studies.

Miss Emily Bryan left Monday for Kenansville, where she will be a student at the James Sprunt Institute.

Mr. and Mrs. R. R. Carlyle, who have been spending some time in Hendersonville, have returned home.

Mr. and Mrs. S. Powell spent Sunday visiting in the Barbesville section.

Mrs. L. B. Bullard, who has been visiting in Jacksonville, Fla., has returned home.

Mrs. John M. Dick who has been visiting relatives here for some time, has returned to her home in San Antonio, Texas.

Mrs. H. H. Anderson, who has been visiting at Fair Bluff, has returned home.

Miss Ethel Shepherd, who has been visiting relatives here, has returned to her home in Evergreen.

Mr. and Mrs. S. S. Stephens visited relatives in the Black Swamp section last Sunday.

Mrs. Amanda Pittman spent last

Sunday visiting relatives in Fairmont.

Mrs. J. T. Baker, who has been visiting in Wilmington, has returned home.

Mr. and Mrs. J. J. Moore, of Wilmington, spent several days here this week the guests of friends.

Mr. and Mrs. Giles Stephens, of Orrum, spent Sunday here, the guests of relatives.

HIGH POINT.

High Point, Sept. 20.—Miss Annie Pillow, of McLeansville, is the guest of Miss Gladys Kivette.

Miss Frances Mann, who has been visiting relatives in Greensboro, has returned home.

Mrs. James Lynch, of Winston-Salem, is the guest of relatives here.

Miss Maude Owen left Tuesday for Winston-Salem, where she will enter Salem College.

Mr. and Mrs. J. J. Farris, who have been visiting in Richmond, Va., have returned home.

Miss Bessie Tate left Monday for Spartanburg, S. C., where she will enter college.

Miss Bettie Land, of Greensboro, who has been visiting here, has returned home.

Miss Ethel Rowe, of Charlottesville, Va., is the guest of Misses Margaret Rankin.

Miss Isla Marshall, who has been visiting relatives in Greensboro, has returned home.

Mr. and Mrs. T. J. Gold were visitors in Greensboro, this week.

Miss Claire Blair left this week for Guilford College, where she will be the coming session.

Mrs. Elmira Whitehurst, of Elizabeth City, is visiting in town.

HAMLET.

Hamlet, Sept. 23.—Miss Mary Hobbs, of Rockingham, spent Monday here, the guest of Mrs. J. R. Boykin.

Miss Augusta Boykin who has been visiting relatives here, has returned to her home in Wilmington.

Mrs. C. W. Eddy, of Roanoke, Va., is visiting relatives in town.

Mr. and Mrs. C. E. Bell left Wednesday for Washington, D. G., where they will make their future home.

Miss Margaret Smith, of Atlanta, Ga., is spending some time here visiting relatives.

Mrs. James Smith, of Columbus, Ga., is visiting Mrs. Hugh R. Smith.

Mrs. O. L. Cloud left Monday for Atlanta, Ga., where she will spend some time visiting friends.

Mrs. J. P. Gibbons entertained Tuesday night in honor of her guest, Mrs. Sasser, of Wilmington. The home was attractively decorated with

cut flowers and potted plants. Bridge was played. After the games were finished a delicious ice course was served.

Mr. and Mrs. G. W. Battle celebrated their golden anniversary Tuesday. Quite a number of their friends were present and many good wishes were theirs.

Mrs. H. E. Gibbons entertained at Bridge Thursday afternoon in honor of her sister, Mrs. Sasser, of Wilmington, who is the guest of Mrs. J. P. Gibbons. Mrs. J. P. Land scored highest and was given a prize, a beautiful set of bread and butter plates. After the games a delicious ice course with cake was served.

Mrs. P. H. Walton entertained a few of her friends at a bridge party Friday afternoon. Tables were arranged on the spacious veranda which was charmingly decorated for the occasion. Mrs. Gordon T. Townsend made the highest score of the afternoon. She was awarded a handsome prize.

POLLOCKSVILLE.

Pollocksville, Sept. 23.—Miss Rosalie Edwards, of New Bern, who has been visiting here, has returned home.

Mr. John Whitley and family were visitors at Falling Creek this week.

Mrs. John Pearce, Sr., of Goldsboro, who has been visiting here, has returned home.

Mrs. Nelson Whitford and Miss Sarah Spencer, of New Bern, are visiting here.

The lawn party given by Mrs. J. W. Watson Wednesday night was largely attended and greatly enjoyed.

Mr. and Mrs. Strong, of Sanford, visited relatives here this week.

SOUTHPORT.

Southport, Sept. 23.—The crowding social event of the week was the gathering of the ladies of the town at the school building Monday afternoon for the purpose of organizing a Woman's Betterment Association. Mrs. L. J. Pepper was elected president; Mrs. Frank Greer, vice-president; Mrs. I. B. Bussells, secretary, and Mrs. Viola Guthrie, treasurer. The next meeting will be held September 29.

The object of the new organization is to bring about closer cooperation between the mothers of the town and the teachers. Another object will be to create the best possible school spirit. The president, Mrs. Pepper, is already planning that the association arrange to paint the schoolhouse and supply the school playground with play apparatus. She has always been so successful with the endeavors, that it seems that she, with the hearty cooperation of the members, will accomplish this and also a number of other things. The ladies do not expect to bring about all the improvements themselves, but they hope to be the leaders and that others will follow their lead in keeping the school and the school interests ever prominent in the minds of all the people. Nearly all the mothers of the town were present at the organization meeting, and it is felt that only those who want to be numbered among those not interested in the school and the school children will be absent at the next meeting.

An interesting social event was staged at Colonel Robert Stride's

Thursday night when ladies of the Episcopal church gave a "sock social" for the benefit of the church. There was good music, splendid refreshments, a most enjoyable evening for all, and a tidy sum realized for the needs of the church. It was largely attended.

The Woman's Missionary Society of the Methodist church was at home to the ladies of the church and other invited guests Friday night. A social hour was spent at the church.

Mrs. C. Ed. Taylor and little daughter, Elizabeth, and father, Mr. E. B. Stevens, have returned home after an extended visit to relatives and friends in a number of North-western States.

BLADENBORO.

Bladenboro, Sept. 23.—Miss Alma Jordan spent a few hours in Whiteville Sunday.

Mr. E. D. Storm spent Wednesday in Wilmington.

Miss Ethel Shaw, of Clarkton, spent the last week-end here.

Mr. A. A. Hilburn and daughter were in Wilmington a few days this week.

Misses Edna Prevatt and Mamie Smith are spending this week in Lumberton.

Mr. J. D. Jordan was a visitor in Wilmington Monday.

Mr. W. V. Shaw is spending some time in Norfolk, Va., and Hamlet.

Mr. Clifford Bule was a visitor in Lumberton Friday.

Mrs. R. B. Bule and Mr. J. K. Bule spent several hours in Elkton Thursday.

Mrs. C. H. Williams spent Thursday in Richardson.

Dr. J. S. Norman was a visitor in Wilmington Tuesday.

Mrs. C. A. Shaw and Miss Cora Williamson visited in Richardson Friday.

SMITHFIELD.

Smithfield, Sept. 23.—Mrs. E. S. Sanders spent several days of this week in Goldsboro, the guests of friends.

Miss Louise Stephenson spent several days last week at Fuquay Springs.

Mr. and Mrs. J. W. Keen, of Four Oaks, spent Sunday here visiting the family of Mrs. S. T. Coats.

Mrs. Wallace Francis, of Petersburg, Va., is spending some time here, visiting the family for Mrs. S. T. Coats.

Mrs. Wallace Francis, of Petersburg, Va., is spending some time here, the guest of relatives.

Miss Annabell Stephenson left Wednesday for Greensboro, where she entered the State Normal College.

Miss Beulah Turner, of Raleigh, spent several days here this week visiting relatives.

Mrs. B. H. Peed, of Durham, who has been visiting her daughter, Mrs. W. D. Peterson, has returned home.

Miss Marcie Bissett and Mr. Rufin Lyles were married Thursday morning of last week, by Mr. E. S. Sanders, at this place.

Mr. M. L. Stancil and family, who have been visiting relatives in Wake and Franklin counties, have returned home.

The Woman's Club has arranged for a course of Lyceum entertainments that will be given here through the winter. The club last year arranged for a number of productions and in almost all instances the entertainments were well patronized.

MAYSVILLE.

Maysville, Sept. 23.—Miss Sarah McGee, of Raleigh, is visiting her sister, Mrs. J. M. Harper.

Miss Belle Foscoe, of Kinston, is visiting Miss Gladys Collins.

Miss Lillie Wynn who has been visiting relatives in Martin county, has returned home.

Mr. A. M. Sell, of Wilmington, recently spent a day here visiting relatives.

Mr. George Rogers, who has been visiting relatives in Spouth Carolina, returned home Wednesday.

Prof. and Mrs. C. H. Weathersby, former teachers in the graded school here, were recent visitors in Maysville. They will this year teach at Wanchise.

Mr. Wilbur Foscoe, who has been visiting relatives here, has returned to his home in Baltimore, Md.

PROCLAIMS GREAT BENEFIT OF PACKING HOUSE

(Continued From Page Twelve.)
basis where it can live. Association based upon mere sentiment is like a thread or rope of sand but when you combine and put into association and co-ordination intelligent selfishness, not blind inordinate greed that kills the goose that lays the golden egg, but that intelligent selfishness that recognizes that both sides must prosper you then put it upon a basis where it becomes permanent and lasting. Getting away from the old sentimental relations, we are coming today more and more to recognize that both sides must have prosperity and both sides must prosper, simply intelligent selfishness.

My friends it is a pleasure to be here today to make you this brief talk upon this subject. Every man who studies knows that this republic does not depend upon these present day issues but knows it must depend and must solve the problem of having in this republic a great, or prosperous, rural population. Gentlemen, I want to congratulate you upon what I believe has past the experimental stage so far as beginning this co-operation here in your midst. I could stand here and discuss the profits and benefits to the man in the city and the man on the farm by the hour but it is not necessary to do that to you intelligent people. You know that anything that will transform this farm out here from a one crop system to a diversified system is valuable to the farmer. You know that anything that brings prosperity to these people brings prosperity to your own door. You had a great shipping interest here but that shipping interest from the very nature of things has seen its day. You are confronted here in Wilmington with the same problem that has confronted many of the Western towns which were in the lumber business, when their timber was all gone they stood there agast with the problem facing them of what to do, and the intelligent upbuilding of the farms around those cities have solved that problem and today they are far more substantial and on a more permanent basis than they were when from each large smoke stack poured smoke indicating the sawing of a crop that is only produced once in a life time. Today they are sawing a crop that is produced from day to day. It is continual and intelligent farming, farming of a diversified character which does not rob the soil but makes it grow richer has been the history of every country that has tried it.

It is not only a pleasure to be here today and make these remarks to you but I want to congratulate you from the country and you from Wilmington, upon the prospect of the speedy initiation of a project that will make a market for the farmers, a market that will be an inspiration to the farmers and at the same time the farmers prosperity will be reflected back upon this community.

Orolo Guaranteed PUNCTUREPROOF

WHAT IT IS.
OROLO GUARANTEED PUNCTUREPROOF is not a tire filler but a harmless compound in powder form, which is mixed with water and easily injected into your inner tube through the air valve. It is not a tire filler nor a substitute for air as it occupies less than 10 per cent of the air space of any tire. It does not in any way affect the resiliency of the tire and when mixed with water, is a rubber preservative. It forms a preservative coating throughout the inside of the tube and when a puncture occurs instantly seals and permanently plugs the hole, while running, without any loss of air whatever. It may be applied by anyone in a few minutes, without tools or experience.

WHAT IT DOES.
The action of OROLO GUARANTEED PUNCTUREPROOF is purely mechanical. As the wheel revolves, the compound spreads out and forms a coating over the entire inner surface of the tube. When a puncture occurs, the air pressure instantly drives the PUNCTUREPROOF into the hole where it forms an air tight plug, practically vulcanizing itself to the edges of the hole in the tube and the ragged edges of the fabric in the casing, automatically, perfectly and permanently sealing or vulcanizing the puncture, while running, without attention, trouble or loss of air whatever. It makes no difference whether you attack the nail in or pull it out. The puncture is sealed just as quickly and by the same process. It also cures porous tubes by finding and sealing the tiny porous places which cause slow leaks, flat tires, rim cuts, blow-outs and eventually ruin to the tube and casing. It contains a preservative which keeps your tubes soft, moist and elastic, thereby preventing the drying out of the tubes which causes them to crack and develop leaks. It may be changed from one tire to another and will last for years.

OROLO GUARANTEED PUNCTUREPROOF will keep the air in your tires, thereby throwing the wear on the tread, where it is meant to be and will increase your tire mileage fully fifty per cent, save you money in vulcanizing bills as well as saving your hands, collars, cuffs, clothing and temper. It may be changed from tube to tube, casing to casing, and does not interfere with vulcanizing the tube, casing, or clog the air valve.

WHAT IT COSTS.
OROLO GUARANTEED PUNCTUREPROOF costs many times less than nothing. We guarantee every tube treated with it against punctures, from any cause, smaller in size than a 20-penny spike, for one year. It is a fair estimate to guess that every dollar spent for OROLO GUARANTEED PUNCTUREPROOF will save twenty in lost time, patches, vulcanizing bills, rim cuts, blow-outs, ruined tubes, casings, soiled clothing and wear and tear on the car as well as the temper.

OUR GUARANTEE.
We absolutely guarantee that OROLO GUARANTEED PUNCTUREPROOF will automatically and instantly seal and plug all slow leaks and punctures from any cause smaller in size than a 20-penny spike, while running, without loss of air; that it contains no acid, oil, grease or other ingredient which could possibly injure rubber; that all tubes treated with it will be free from punctures for one year and that its use will not affect your tire guarantee. We also guarantee it to be beneficial to tubes and casings, and to increase the mileage of tubes and tires treated with it at least fifty per cent. It may be changed from one tube or casing to another, at any time, without loss or trouble and will last for years.

OUR WRITTEN AND SIGNED GUARANTEE IS PACKED IN EACH BOX.
For equipping your car with OROLO GUARANTEED PUNCTUREPROOF
For Bicycle tires use 1-3 box to each tire.
For 3 or 3 1-2 inch tires use 1 box to each tire.
