

THEATRICAL

The Winter Garden Girls Company this afternoon are presenting their second big show hit of the week, a show even bigger, better and brighter than the first one, presenting a combination, musical comedy, vaudeville and minstrel show.

Miss Lola Vann as the Jester; Jack Grant and Ralph Smith as end men, the other members of this all-star aggregation in suitable roles, you will be furnished an hour of such entertainment as rarely fails to your lot. Jack Grant, the inimitable black-face who made such a tremendous hit the first of the week, will register even a greater sensation in his role in this production, ably aided by Ralph Smith, in the comedy role. Jack Hurley as interlocutor acquires himself with high honors. There is first a musical comedy sketch, followed by an olio in which is presented Fred and Eva Hurley in a singing and dancing specialty. Following this is the second scene which is followed by the minstrel after-piece, featuring some new big song hits including "They Called It Dixieland," "Memories," "Yama Man," and others, a grand minstrel parade by the entire company, a great buck dance specialty by Ralph Smith and another one of those inimitable eccentric dances by Jack Grant.

It is a great show today, better than Monday's, and should be witnessed by packed houses tonight.

NOW FOR CLEVER BILLIE BURKE
Tomorrow the Royal presents the tenth great chapter of that stirring and romantic serial, "Gloria's Romance," starring Miss Burke in the leading role with a superb supporting cast of stars. This, of course, is the big feature, although the great five-act drama that follows appeals to almost everyone.

Billie Burke has never appeared to greater perfection before the lens of

the camera than she does in this, the tenth chapter of her great romantic serial. She is bewitching in every flash and reveals some intimate touches that will interest every one, with some injected scenes of deep pathos and heart interest as she mourns for her murdered sweetheart and swears that she will find the murderer.

The five-reel feature on the bill with Gloria tomorrow is a magnificent Edison production of "The Magic Skin," a photo-drama portrayed with a truly artistic sense of design, achieving a very satisfying result with an unassuming manner. The story runs along the familiar lines of "Faust," being chiefly concerned with a redeeming visca of a young man fast drifting from his finer ideals into the gratification of material desire and wayward impulse in which he is aided by His Santanic Majesty through the instrumentality of a magical skin. It is one of the most famous Balzac stories and required very careful handling to make into a great photo-play.

Starring in this film drama is beautiful Mabel Trunnelle, with Sally Crute, Everett Butterfield and other great Edison stars.

FANNIE WARD TOMORROW.

Having established herself as one of the most versatile actresses on the screen, Miss Fannie Ward, the beautiful Lasky star, will be seen at the Grand tomorrow in the Jesse L. Lasky production of "Each Pearl a Tear," written especially for her by Beatrice C. De Mille and Leighton Osmond, from the story by E. L. Sheldon. It is a Paramount picture.

For a number of years Miss Ward has been popular as a comedienne in the spoken drama. When the Lasky company induced her to join their coterie of stars she was promised serious work, and this was given her in "The Cheat." In this sensational photo-drama she scored the greatest success of her career, and this she repeated in "Tennessee's Partner," in "For the Defense," and "The Gutter Magdalene," and it is said that "Each Pearl a Tear," is better than anything in which she has heretofore been seen.

SPORT CHATTER.

Unofficial averages show that "Happy" Felch, of the White Sox, managed to squeeze into the .300 batting set.

Cincinnati is the last place in the St. Louis newspapers and St. Louis is in last place in the Cincinnati newspapers.

Ad Wolgast lost the decision to an unknown in a four-round bout the other night. Maybe it was Willie Ritchie disguised as a wop.

Mike Gibbons, the St. Paul phantom, can't see his way clear to performing in New York for the mazzama offered by the Gotham promoters.

His ability as a musician may account for Johnny Kilbane's rapid work in the ring. Perhaps the featherweight champion takes his opponent for a xylophone.

According to ringside reports Freddie Welsh continues to take a beating in every bout, as well as winning the decision and retaining the lightweight crown.

Cleveland won 7 out of 21 games with the Red Sox this season. Which shows the Sox lost one-third of their team when Speaker went to the Follies.

In a recent football game at Allentown, the Muhlenberg eleven defeated Bloomsburg 85 to 0. This must have been a case of the winner being all in at the finish.

Princeton football players complain of lack of practice due to the rough condition of the field at Lake Minnawaska. No rough stuff goes on the gridiron nowadays—in practice.

Rumor has it that Honus Wagner is to be married this fall. As Honus has worked faithfully for one boss for twenty years he should be "gilt-edged" as a matrimonial prospect.

Three days before the close of the season the Braves still had a mathematical chance for the pennant. But the Phils swiped Stallings' arithmetic and the Braves forgot the answer.

Sam Langford is to start his winter campaign at Syracuse on Friday, October 13, in a bout with Joe Jeannette. Evidently a "Black Friday" has no terrors for the people of Syracuse.

St. Louis fans claim that Shortstop Johnny Lavan, of the Browns, doesn't get going until late in July. That's the time the Browns get going, so why blame Johnny?

Louisville started to make a runaway race of it in the American association this season, but tripped up after a few weeks out. Later the Colonels started a brilliant comeback which finally landed the pennant.

A recent male arrival at the home of Mr. and Mrs. Jerry Kennedy, of Butte, Mont., has been christened Grover Cleveland Alexander Kennedy. Now it's up to some fond parents to stimulate the southpaw market by honoring the name of the veteran, Edward (Gettysburg) Plank.

TANLAC, THE GREAT NEW MEDICINE, SWEEPS OVER NATION: MERIT WINS AND MULTITUDES GIVE IT PRAISE

"Made Me Younger"--"Put Me Back on The Payroll"--"Gave Me New Life"--In The Thousands of Endorsements Given Master Medicine

This is Tanlac Week.

More than seven million five hundred thousand bottles of Tanlac have been sold in the United States in the two years since the first bottle was sold.

That fact alone is sufficient explanation why Tanlac Week should now be celebrated in cities throughout the United States. The tremendous and unprecedented success of Tanlac could not have been achieved without true merit. The 8,000 druggists who are giving Tanlac their renewed endorsements by special displays this week know that they have behind them the unqualified endorsement of Tanlac by millions of satisfied customers.

No other medicine has ever had the same success that Tanlac has won as a tonic, appetizer, invigorant and revitalizer. Its fame was instantaneous and it spread through the country until today it is known everywhere as The Master Medicine.

True Worth Explains Success

Tanlac's success is easily explained—true worth. The tens of thousands of men and women who have endorsed it praise it because they are grateful for the relief Tanlac has given them.

To suffer from sleeplessness, indigestion, nervousness, rheumatism, belching and bloating from gas; dizziness and biliousness; kidney and liver troubles, pains in the stomach, the back and the head for years, and then to get relief through a tonic that is pleasant to take, gentle and gradual in its results, renewing the appetite, aiding assimilation, and restoring health, vigor, ambition and strength, is enough to make people grateful.

Tens of thousands of people have said that Tanlac is The Master Medicine. Tanlac Week therefore means something to them.

Endorsements are Remarkable

Some of the endorsements of Tanlac are remarkable. They show that taking Tanlac was a profitable investment for sick, weak, nervous, run-down men and women—profitable in more than one way. Some of the praise of Tanlac is in phrases that are written over and over.

"I feel like a new man"—"Tanlac has put me back on the payroll"—"I never lay off from my work since I took Tanlac"—"I do twice as much work as I used to"—"Tanlac has made me feel twenty years younger"—"I wake up in the morning feeling fine now."

Many women have written, "I have my natural color back since I took Tanlac"—"I feel like a girl again"—"My neighbors ask me what I have done to look so young and my answer is Tanlac"—"I feel like a different woman; my housework is a pleasure since I took Tanlac"

Those are some of the expressions which tens of thousands of men and women have used, in statements praising Tanlac.

Tanlac Meets a Need

Prepared from a secret formula, purely vegetable and absolutely free from mineral taint, Tanlac has met the need of a great reconstructive tonic to feed while it heals sick, sore stomachs; to promote digestion, aid assimilation, induce healthy and normal function of the digestive apparatus, and to build up health and strength in a natural way.

Throughout the vast world Nature has placed remedies for the healing of the nations. In Tanlac the best of them are merged for a sensible, reliable remedy. In Tanlac nature offers the great natural remedy for the everyday ills from which millions of men and women suffer.

The ingredients or medicinal elements which make Tanlac come from far separated sections of the globe. It is as though Nature, planting her gardens in every zone of the vast world, permitted man to select the best for compounding into a great remedy. Man has spared no expense or labor to get these best ingredients.

Now a Household Remedy

Roots, herbs and barks best suited to a great tonic are used in the making of Tanlac. They are selected scientifically and blended with care. In order to insure a supply of them for Tanlac, The Cooper Medicine Company bought large amounts of certain ingredients. Tens of thousands of bottles were bought on one order.

Tanlac's success, starting so quickly, is lasting. It has become a household remedy and is in two million homes because it is the great medicine which Nature offers from her best products.

Millions of people know this and Tanlac therefore is praised everywhere as The National Tonic—the upbuilder of health and strength through the stomach, blood and nerves.
