

CAROLINA WAS EASY FOR THE CRIMSON TEAM

Offense and Defense of The Tar Heel Gridiron Warriors Feeble.

MANY SUBSTITUTES USED BY HARVARD

Forward Passing of Harvard Was Most Successful of The Season, Say Experts.

Cambridge, Mass., Oct. 14.—Harvard had an easy time defeating the University of North Carolina 21 to 0 today. In spite of a patched up line and backfield, half a dozen subs played, the Crimson was able to stop the comparatively feeble offense of the Southerners.

In the opening half Casey played whirlwind football for Harvard and by long runs placed the team in a position to score.

Harvard's forward passing today was the most successful of the season, four of the passes gaining much ground. North Carolina was at no time dangerous, for the nearest the Southerners got to Harvard's goal was the 38-yard line.

Lovell and Snow, sub-Harvard linemen, were both taken out of the game with injured legs.

Harvard paved the way for its first touchdown in the opening periods when Harte tore off a long run. On fourth down, a forward pass, Robinson to Harte, the ball was brought nearly to the goal line, and Norween went over for the touchdown. Robinson kicked the goal.

Another score came almost directly when Casey made a 38-yard run. Plunges by Horween pushed the ball to the 10-yard line, and from there Burnham carried it over for a touchdown on a delayed pass. Robinson again kicked the goal.

Harvard started the second half with a straight drive down the field from the kickoff. The touchdown was made on a clever forward pass from Murray to C. Coolidge.

TENNESSEE DOWNED CLEMSON ELEVEN

Clemson College, S. C., Oct. 14.—In an exciting game Tennessee won, 14 to 0. The game stood 0 to 0 until the latter part of the fourth quarter. Then Tennessee rushed the ball to Clemson's 10-yard line and lost on downs. Tennessee again rushed to the one-yard line and was penalized five yards. Clemson was then penalized five yards, putting Tennessee back on the one-yard line. Tennessee then went over for a touchdown and kicked goal.

Clemson tried a forward pass and Tennessee took the ball over for its second touchdown and kicked goal just before time was called.

VIRGINIA GIVEN A STUBBORN TUSTLE

Charlottesville, Va., Oct. 14.—Virginia downed Richmond College, in a stubbornly fought contest, by a score of 21 to 0. The Orange and Blue pushed the pigskin across the chalk line in three successive quarters.

In the fourth quarter the ball was seasawed up and down the field without threatening either goal. Carrington got away for a 30-yard run around left end in the second quarter. Richmond attempted few passes but made line drives.

YALE DEFEATED LEHIGH ELEVEN

Forward Passing Used Extensively by Both Teams—Charley Taft Starred.

New Haven, Oct. 14.—Yale defeated Lehigh today, 12 to 0, scoring a touchdown in the second and fourth periods. Both were registered on sensational long runs.

The veteran Harry Legore cut loose for the first from the Yale 35-yard line, broke free into the open, eluded three Lehigh tacklers and completed his 65-yard romp with a superb exhibition of side-stepping in an open field.

Bob Bingham, in the final period, crashed through tackle for 35 yards, ringing up Yale's second touchdown.

Lehigh made first down only once when, in the second period, Purcell heaved a forward pass to Maggins, netting 30 yards, and taking the ball to the Yale 10-yard line, where Lehigh resorted to four forward passes to score.

Lehigh gave Yale another scare in this period, for the Yale team was unable to gain and Legore punted short against the wind, Chenoweth catching the punt at the Eli 30-yard line. Lehigh again attempted to register a touchdown on forward passing. But Legore intercepted Purcell's toss. Yale remained in distress during the remainder of the period, which closed with the ball in Eli's possession at their 30-yard line.

A high wind prevailed and each eleven was able to drive the other back by exchanging punts.

Lehigh often had recourse to the forward pass. In 15 attempts that team was able to complete its pass but twice, gaining 30 yards once and only five on the other occasion. Yale did not use the forward pass until late in the third period. In the fourth period a heave, Legore to Gates, netted 30 yards and placed Yale in position for the touchdown, which Bingham secured.

Yale made no substitutions until the final period. A feature of the game was the center rush play of Charley Taft, son of the former President of the United States, as a defensive player. He was all over the field and his passing was the best seen on Yale field this season. Captain Black played a herculean defensive game and Legore's punting and end running for Yale, the line play of Captain Tate for Lehigh and the punt-

ing of Brunner were the features of the visitors' work.

Was Rough Housing.—Ed. Jefferson colored, was corraled by the police at Schmitt's Grocery, corner of Ninth and Bladen streets, last night, when he was reported to be raising a rough house at that store. The police patrol responded to the call and the offender was arrested by Officer W. H. Kermon after a short run.

On Railway.—The fishing steamer Susquehanna, belonging to the Ocean Fisheries Company, is now on the Wilmington Marine Railway, to undergo repairs preparatory to starting the fall and winter fishing.

Suits, Coats, Coat Suits

The Week of Supreme Selections! The Logical Time to Buy!

Prices are advancing overnight. Few of these garments could be duplicated at prices quoted if we were buying them now. This is safe advice. If you intend buying new Winter Garments (and of course you do) buy without delay.

Common to all the new Suits and Coats is their remarkable line—giving the effect of fullness and generosity of fabric—yet of slimmness—a strange contradiction. Cheaply made garments do not have it, for it takes an artist to produce it. Many of these Suits came in yesterday.
