## ITEMS OF INTEREST CONTRIBUTED BY PUPILS

**UNION SCHOOL.**  
 Evelyn Harriss, Caroline Bear, Lina McEachern and May Belle Carroll.

As this is the last week in the November school month we have had our examinations and are waiting anxiously for Monday because we are very anxious to receive our reports and hear the honor roll read.

The boys in the Eighth grade, A, 11 have had 100 per cent. attendance for the month.

In this class we have elected our class officers. Tom Wagner was elected class secretary.

Last Monday we did not have our opening exercises at the regular time because Prof. Blair brought Miss Muffley, of the Greenville Training School, to hear us sing and they were unable to reach the school until 9:30 o'clock. Miss Muffley is interested in music and made a talk on it which we enjoyed very much.

All of the grades have prepared quotations for Thanksgiving. As we shall not attend school Thanksgiving Day we recited them the previous Friday. The following quotation was composed by Miss Laura Lance, teacher of the Eighth grade, A.

"We should not forget the meaning of our term Thanksgiving Day; We should show that we are thankful in a true and sincere way; We should strive to make the cold world brighter; By a kind word or a smile, Thus make some sad soul brighter; We should find it worth our while; And at the closing of Thanksgiving, With a heart with joy filled, We should feel we've earned the tribute Thou has spent Thanksgiving well.

**HEMENWAY NEWS.**

"Uncle Remus" day passed off beautifully last Friday. It was then that the Principal announced that the following Friday would be turned over to the eighth grade girls who would have in charge the entertainment of the no tardies. From now on each room will have a chance to entertain the no tardies. Next week the eighth grade boys will have a chance.

We are pleased to know that our scheme for getting a moving picture machine for the school is meeting with such success. Already there is in the treasury \$6.50; and from all accounts of the business so far it seems that we will more than double this amount next week. Mr. Blair came over this morning and told us that the Board of Education, he thought, would probably help us out right away by getting the machine at once and letting us pay them in the way we have started. The Board of Education helps those that help themselves.

Miss Huffler, head of the Public School music department of the Carolina Teachers' Training School paid the school a visit Monday morning, and taught the school a very attractive little song with rhythmic movements.

Friday morning the entertainment of the no tardies was in charge of the eighth grade girls, and they acquitted themselves in a highly creditable manner. One feature of their very excellent program was the securing of Miss Anderson, general secretary of the Y. W. C. A., who rendered several vocal solos, charming the entire audience. The full program as arranged by the eighth grade girls was as follows:

Recitation—"That Hired Girl," Dorothy Boon.

Instrumental Solo—"The Rossary"—Marion Williams.

Recitation—"Diddle Dumps & Tots"—Onida M. Pate.

Vocal Solo—Miss Anderson.

The no tardy record for the school up to date is as follows:

First Grade, teacher—one week.

Second Grade, Miss Johnson one week.

Third Grade, Miss Wiggins, teacher—four weeks.

Miss Yarborough, teacher—eight weeks.

**WILLIAM HOOPER SCHOOL.**  
 Usley Pershake, John Ormsby.

During the past week Miss Muffley, of the Greenville Training School, visited the William Hooper School which was very much enjoyed by the pupils.

Much interest is being manifested in the collecting of various antiques for the school museum. A horned toad was sent to a pupil by one of the guardsmen of El Paso, Texas.

Allan Burriss had made another bird house and both of the houses have been stained a beautiful shade of green by the builder.

All classes in school are making a splendid study of Thanksgiving this week and the same study will be engaged in next week.

**ISAAC BEAR SCHOOL.**

Another month is drawing to a close and it is almost impossible to realize that almost one fourth of the school term is gone. The time is certainly slipping by fast for the pupils of the Isaac Bear school.

We are looking forward to our Thanksgiving holiday next week with much pleasure. We have been learning Thanksgiving songs, quotations and poems. The quotations and poems will be recited Wednesday morning.

The third grade has had perfect attendance every day this week. The first grade has had perfect attendance three days and there has not been a tardy in school.

Several of our friends have visited us during the week. We are always glad to have them come to our school.

Third Grade, Miss Hill, teacher—seven weeks.

Miss Lathrop, teacher, one week.

Fourth Grade, Miss Boon, teacher—one week.

Miss Johnson, teacher—one week.

Fifth Grade, Miss VonGlahn, teacher—eight weeks.

Sixth Grade, Miss Cavanaugh, teacher—eight weeks.

Miss Dozier, teacher—two weeks.

Seventh Grade, Miss Sibury, teacher, one week.

Miss Owen, teacher—two weeks.

Eighth Grade, Miss Shaw, teacher—Miss LeGwin, teacher—one week.

The no. of weeks indicate the number that the room has been exempt from tardy pupils.
